### Detailed picture instructions

**Step 1:** Select the Settings icon in the upper right corner.

**Step 2:** Continue to select Information > Enter Promotional Ticket.

Enter all the code in the code table above into the code content box and select Confirm.

## Check the reward redeemed from the giftcode

To check the received rewards after redeeming the code, select the Mail icon next to Settings.

Select Get Fast to receive the entire giftcode letter or letter with attached rewards.

## If you encounter an error and cannot enter the code

If you cannot redeem the giftcode, you need to check the following reasons:

1. The entry code is case sensitive – please enter it exactly.
2. Do not leave extra spaces at the beginning or end of the code.
3. A code can only be used once per account.
4. Some codes may be expired or have exceeded their usage limit.
5. Many codes, even though different, belong to the same group, so you can only use one code in that group.
