Why can't I change the Danh Tuong Origin code?

You will not be able to exchange the giftcode if the code you exchange is an expired code. Usually, the code will only last for a few days to a few weeks if it is a giftcode you receive from an event or during special events such as holidays, cooperation events, reaching a large number of players. If it is a Newbie code, it will last longer.

Besides the above reason, you will not be able to redeem the giftcode if you enter the wrong characters. If the game requires you to enter the correct uppercase and lowercase letters, you will have to enter them correctly and remember to pay attention to the spaces in the giftcode, usually the spaces will be most clearly displayed at the beginning and end of the giftcode.
