Tet greetings, simple but sincere, sometimes become extremely precious spiritual strength. Along TipsMake.com share the good Tet wishes and wish a happy, peaceful 2017 to your loved ones.

I. Happy New Year messages

1. A new spring 2017 has arrived, I wish my parents always healthy and happy with us and welcome a happy, prosperous and happy new year !!! ??

2. At the end of the New Year - I wish you all good wishes - I wish you all a blessing happy - Coin heavy bag - Full paper money - Go eat well - Go home to the procession - Money is like water - Love to fill the heart - Warm blanket softly - Happy night - Happy day - Always meet sewing - Spill full of happiness.

3. In the new year, wish everyone a healthy sky, a sea of ??love, an emotional ocean, a love chorus, a faithful lover, an immense friendship, a prosperous family. . Wishing you all women, brothers, sisters, uncles, sisters, brothers and sisters to come to the new year like a dream, like a dream, working like poetry, happy life like

music, paying money like garbage, considering silver as straw , faithful to rice and excellent son with pho

4. Another spring comes back, I apologize to you because I am so busy with my work so I do not often visit him. In the new year, I wish you always live long life to be happy with your children and grandchildren.

5. A new year is coming again, the faster the time goes, the more and more the back of the cheek is, the more three strands of silver hair and so the love of our brothers and sisters is even thicker. Tet comes, spring comes, I send to my parents a thousand words of affection, I wish my parents more happiness, live happily. This Tet, I will go back to my parents to see that life is very interesting, there are also Tet holidays full of love. May your parents live longer with your children. Happy New Year!

II. Happy New Year message

1. Dear husband! So I've been married for over a year already? Through the blessing of the gold at the beginning of the year, the wife wished her husband to always be healthy, complete the assigned task, soon transferred his work to his family and especially in the new year his family soon had good news. Husband is the solid fulcrum of my family. Love my husband forever!

2. I love! So the new year 2017 is coming. This year I have not been with you in the warm intermission between the cold of the cold winter. I wish you a new year with lots of luck, lots of success, fun, happiness and always be confident, strong! ? (Happy New Year) ? • (?). • * ' 2017 .. '* • ? • (?)

3. Every day, I am shy with you in my happiness, my best day, I am the bride. We are going to celebrate one year of wedding when we just go through this Lunar New Year of the Rooster, are you? A year ago, how sad and happy the new life is but happiness is always full, always fresh as our first day is together.

4. A year ago there were so many joys, sadness but so happy because no matter what, my husband and I are always together, trying to overcome each other. It's a solid support for my wife and husband!

III. Happy New Year messages for lovers

1. A year has passed, we have overcome many obstacles, last year I made you sad and I apologize and anyway I thank you for always being with me and trusting me. Wish my dear new year peace and I will take care of you more and we will always be together
2. (?) A warm smile. A look for happiness filled. A word for the full faith. A fist for love forever. A wait for love lasts forever. A little bit of jealousy for love shines. A pink heart for faithful love. The new year 2017 wishes you peace, prosperity and happiness!
3. I want to tell you that you are my whole life. Love you from the depth of my heart. I can't be without you. You are my Love. New year I wish our love forever beautiful as the first time always burns me!
4. Everyday, when God opens the door of heaven, he looks at him and asks: "What is your wish for today?". He replied: "Please protect the person reading this message throughout the new year and throughout this life and wish you let me always take care of this darling".
