

Neymar's eating habits have been put into entertainment games on Android, completely free to download and experience

Based on Neymar's many world-famous rounds when there were collisions during the 2018 World Cup season, programmers wrote down a game on Google Play Store to ... try to play the player himself.

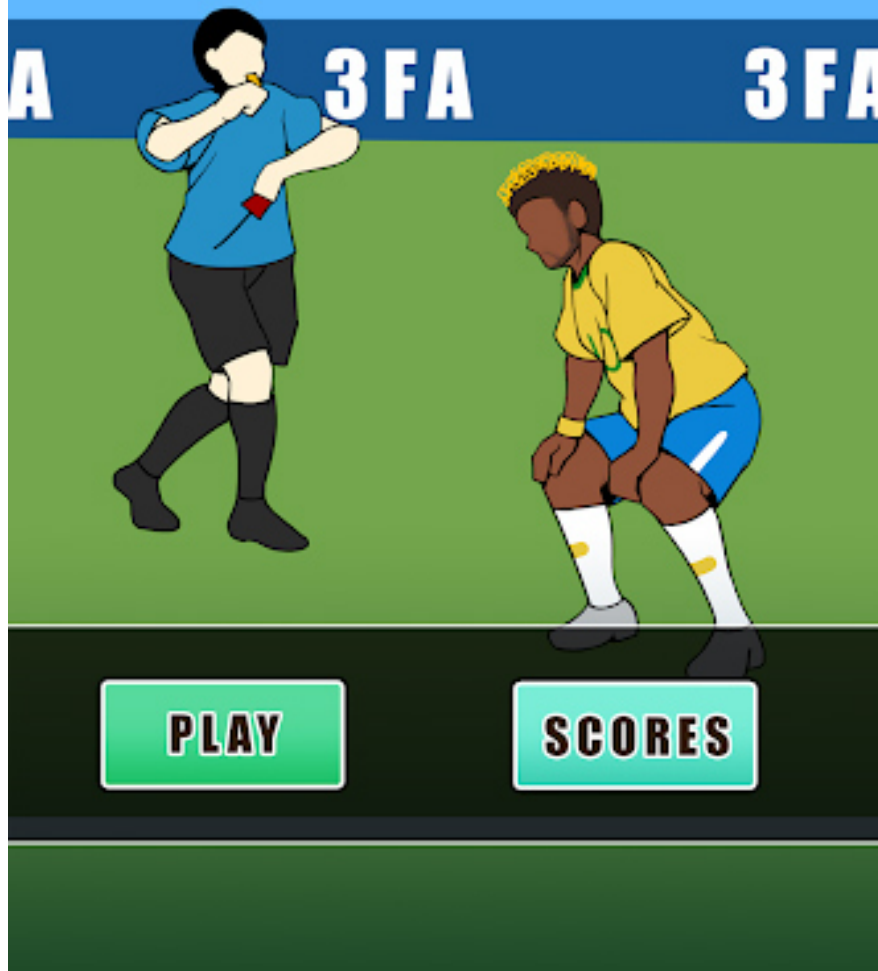

Based on Neymar's many world-famous rounds when there were collisions during the 2018 World Cup season, programmers wrote down a game on Google Play Store to . try to play the player himself.

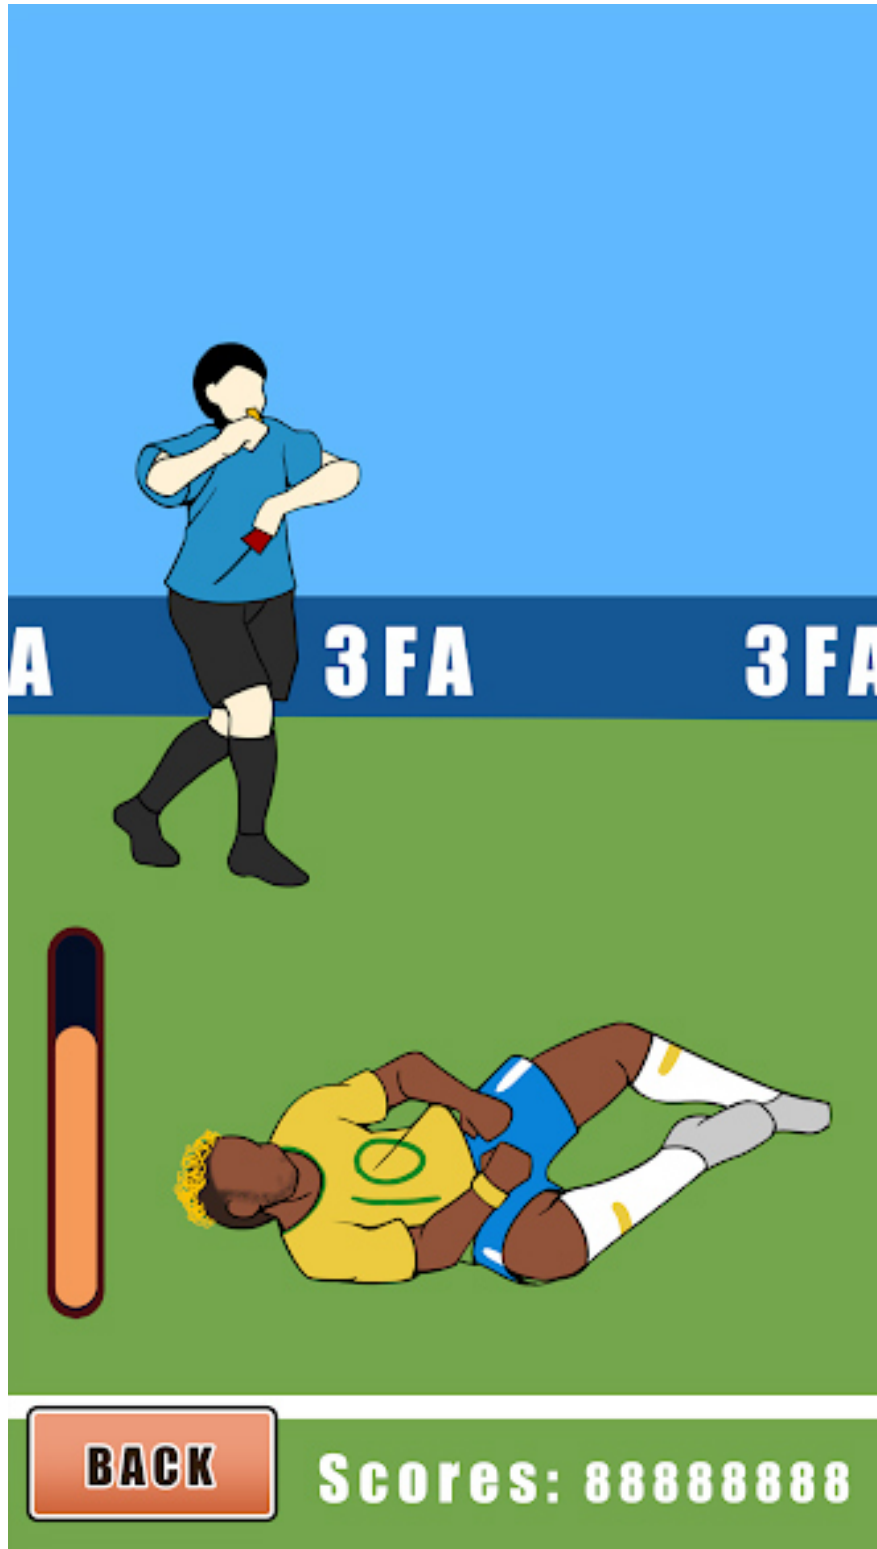

The game is called Rolling Neymar, perhaps listening to your names also envisioned the gameplay of this game.

The player's task is to keep the energy bar and wait for the referee to come back to press the screen and then Neymar will roll. You have to roll and stop at the right time when the referee is looking for the referee to draw a red card to penalize the other player, but the poor performance will be the card receiver and the game over.

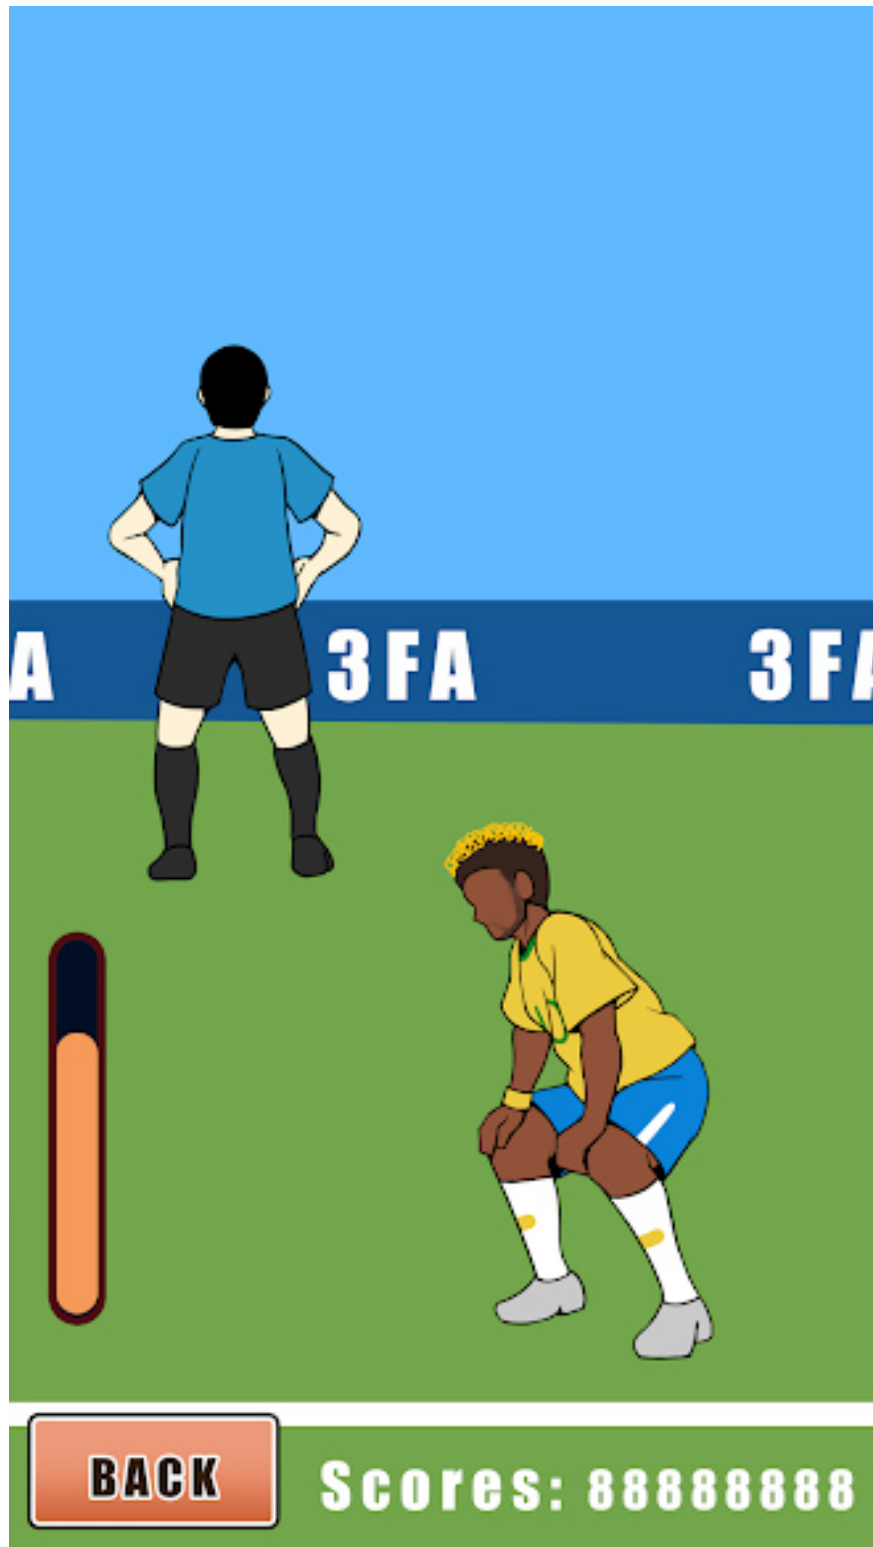

ROLLING NEYMAR

BACK

Scores: 88888888
