

Ni no Kuni: Cross Worlds - Location of treasure chests in Golden Grove

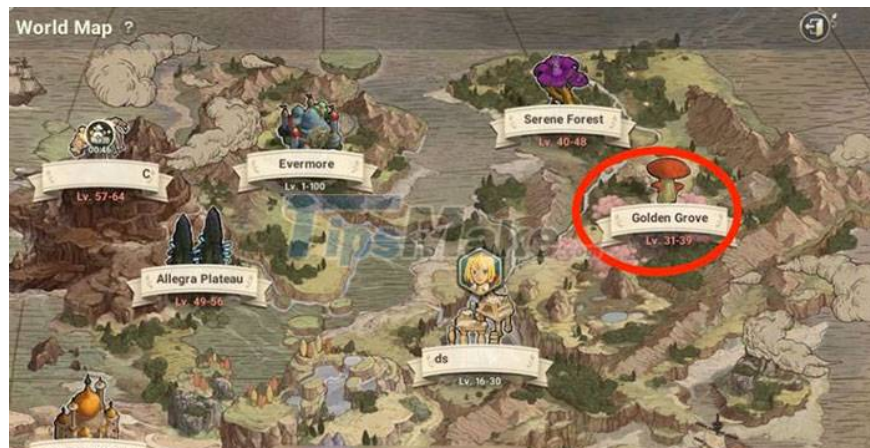

Ni no Kuni: Cross Worlds is a new mobile game that takes many familiar elements from other MMORPGs but adds features from Level-5's Ni no Kuni series.

This game is quickly loved by gamers because of its beautiful and poetic Studio Ghibli style graphics.

Ni no Kuni: Cross Worlds features a variety of collectibles for players to find and collect, including rare treasure chests. Many of the game's main areas have 3 treasure chests to locate and this article will guide the player on how to get to the Golden Grove in Ni no Kuni: Cross Worlds and collect all the treasures there.

How to get to the Golden Grove in Ni no Kuni: Cross Worlds

The player can quickly go to the Golden Grove by clicking on **the small map** in the upper right corner. If the map isn't there, click **the little globe icon** to make it appear.

Now, press **World Map** and then the player will see the Golden Grove on the eastern edge of the map, right next to the Serene Forest. Select one of the points of interest or a random point on the map to automatically walk there. Using Mount can shorten travel time.

The Golden Grove location in Ni no Kuni: Cross Worlds recommends players reach levels 31 to 39, so make sure to be prepared for the enemies that await. Players can see their current level in the upper left corner.

Location of treasure chests in Golden Grove

Tree Vine Treasure Chest at Golden Grove

To get to the Tree Vine chest at Golden Grove, start at Fairyground's favorite spot and head north. Take the second path on the left to enter a field, then head to the western edge of the area to find a chest on top of some vines.

If a player doesn't see a chest in the specified locations, it could mean that another player opened it recently. The player can either wait for it to respawn or exit the game and return to the chest location.

Chest on the rock in Golden Grove

Head to the large area with giant mushrooms in the southeastern part of Golden Grove, east of Fairy Village. If entering from the West side, stick to the wall on the right until you see a chest atop some rocks near the lake and waterfall.

Stone Steps Chest at Golden Grove

Head to favorite spot Fairyground at Golden Grove. There was a huge tree with pink petals in the middle of the area. If the player goes directly west of the tree, they will see a treasure chest atop some stone steps. With careful jumping, the player can easily reach and get the treasure in the treasure chest.

To see the chests available in Ni no Kuni: Cross Worlds, go to **Menu > Records > Record > Chests** . Here, players can get rewards for finding treasure chests and see which chests they're missing. There are currently about 40 treasure chests in Ni no Kuni: Cross Worlds.
