

## Nokia urged users to support to return

It seems that Nokia is raising its ambition to return when it recently launched a message to support loyal followers.

**It seems that Nokia is raising its ambition to return when it recently launched a message to support loyal followers.**

The message is sent by Nokia

From an event that attracts only 150 people in the first year of start-up, *South by Southwest Interactive (SXSW)* has now become the promise of technology, making the dream a reality for any crazy idea. predict new trends in the technology world.

The plot returned

Accordingly, Nokia has called on users to support the Z Launcher interface set so that the manufacturer will return at the upcoming SXSW 2015. If you can come back at SXSW 2015, it is likely that Nokia will unveil an extremely unique idea of ??the company in preparation for rebuilding a big man's position.
