Portrait of prophet Nostradamus

Prophet Nostradamus (12/14/1503 - July 2, 1566) is a French pharmacist. He accurately predicted many disasters such as earthquakes, wars, epidemics, droughts. In order to avoid heretical conviction, witch, superstition Nostradamus wrote all of her prophecies in the form of anonymity, puns or in Hebrew, Greek, Arabic . So, Many people also call Nostradamus the " *servant of the devil* " .

Nostradamus published "*Prophetsies*" (Les Propheties) in 1555, a collection of his prophecies. The book is a collection of short essays consisting of four verses, each with 100 sentences about a century; The words in this book are vague, confusing, they describe the events that are expected to happen to the world from the middle of the 16th century until the end of the world, as expected in 3797 CE. who interpreted the thunderings transmitted there and relate to the events that have happened since Nostradamus to date and anticipate the possible changes that will happen to mankind.

Precise predictions of Nostradamus

Nostradamus correctly predicted the death of **Henry II's emperor**. " *One day, your head will be stabbed by a sharp object and that is the cause of death. That will happen in 10 years.* ". In June 559, during a horse duel, King Henry II was pierced by a spear in a shield covering his face, pierced through his eyes, and slanted into his temple. After 10 days in bed, King Henry II died at age 51.

The life of **Napoleon** 's emperor , the military brilliantly won in every battle but failed in Russia, then lost his kingship. also predicted by Nostradamus. Nostradamus's poems indicate

"The great emperor will start with a low position

And quickly grew

When he won supreme power

The defeated prince was exiled in Elba

Will return to Marseilles via the Bay of Genoa

But not beyond foreign powers

Although escaping death, but still have to shed blood.

Hitler's crimes, the atomic bombing of Nagasaki and Hiroshima, the US space shuttle exploded in 1985, US President Kennedy was assassinated . is believed to be prophetic Nostradamus in his poems. .

10 Nostradamus prophecies about what will happen in the world in 2017

10. Russia and Ukraine will go to peace

According to Nostradamus in 2017 Russia and Ukraine will come to an agreement. However, the terms of the agreement have not been disclosed, and the US will oppose this peace agreement, while Germany and EU countries support it.

9. China will take cautious steps

In an unbalanced world economy, China will take cautious steps. These moves will create very powerful effects. Will China become the world's new superpower?

8. 2017 is not the breakthrough year of Latin American countries

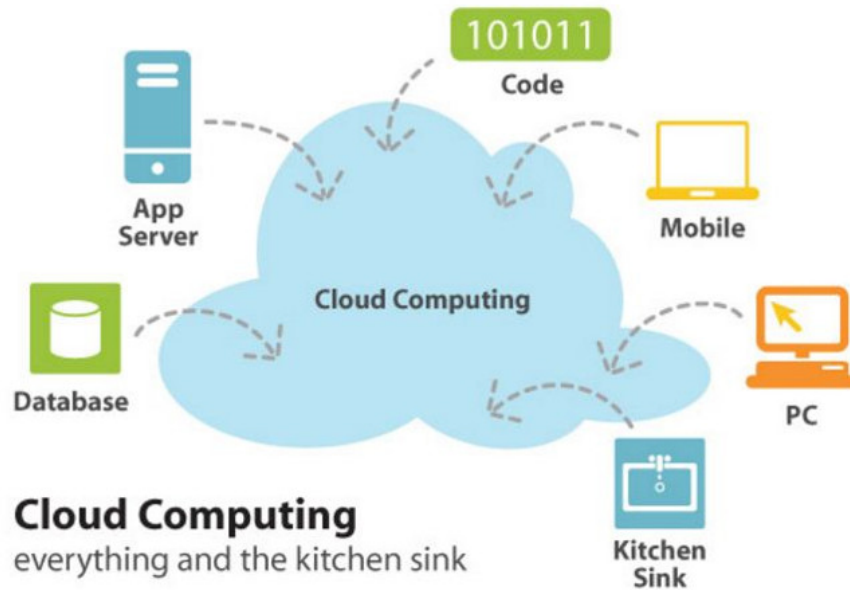

Nostradamus predicts that this is the year that Latin America is reevaluated. The government abandons left-wing policies, and will support to respond to potential destabilizing factors in the region.

7. The Italian economy is in trouble

Unemployment and debts will turn Italy into the epicenter of the new financial crisis in Europe. Now, all the attention from Greece and the West comes to Italy.

6. Disappearance of cloud computing

Nostradamus also said that the term "cloud" in the phrase "cloud computing" will disappear in 2017, because all computers will be simulated in a simple way when operating in the cloud.

Cloud computing will disappear

5. Super powers are paralyzed

The current superpower is the US, most likely will not have the ability and control of the world. Differences in ideology, political agitation and injustice are increasing.

The process of enterprise globalization and the financial system, and the failure of a large-scale social system are the cause of this paralysis.

4. War comes from global warming

Nostradamus believes that the "Hot War" will be able to escalate in 2017, due to a shortage of resources and global warming.

When war escalates to a certain extent, the biggest threat in the future is terrorism and biological warfare.

3. Space tourism will be commercialized

Commercialization of tourism in space will become a reality. However, extra-trajectory flights will become increasingly difficult.

The Moon, asteroids and other mining missions will be hard targets to achieve in the next 2 years.

2. Solar energy is widely used

In 2017, solar technology will account for an important part of the global energy industry. According to Nostradamus, this helps reduce the cost of energy use and the impact of climate change.

1. North Korea and South Korea will be merged

North Korea and South Korea will be merged, Kim Jong-un will be overthrown and have to flee to Russia to avoid pursuing.
