Nostradamus - World-famous prophet with the ability to accurately predict events in human history. His predictions about the future were based on calculations of the planets and stars with the earth.

Portrait of the prophet Nostradamus

Prophet Nostradamus (December 14, 1503 - July 2, 1566) was a French pharmacist. He accurately predicted many disasters such as earthquakes, wars, epidemics, and droughts. To avoid being accused of heresy, witchcraft, and superstition, Nostradamus wrote all of his prophecies in hidden meanings, puns, or in Hebrew, Greek, Arabic. Therefore, Many people also call Nostradamus " *the devil's servant* ".

Nostradamus published "*Les Propheties*" in 1555, a collection of his predictions. The book is a collection of short poems consisting of 4 lines (quatrains), each group of 100 lines talking about a century; The words in this book of prophecy are vague and difficult to understand. They describe events that are predicted to happen to the world from the mid-16th century until the end of the world, expected to be in 3797 CE. Many The person who interpreted the oracles in it and related it to events that have occurred from the time of Nostradamus until now

and predicted the changes that may happen to humanity.

## Nostradamus' accurate predictions

Nostradamus accurately predicted the death of **Emperor Henry II**: " *One day, your majesty's head will be stabbed by a sharp object and that will cause him to die. That will happen in the next 10 years.* " ". In June 1559, during a horsefight, King Henry II was pierced by a spear that pierced his face shield, pierced his eye and skewered his temple. After 10 days in bed, King Henry II passed away at the age of 51.

The life of Emperor **Napoleon**, a talented military man who won every battle but failed in Russia and then lost his throne. was also predicted by Nostradamus. The poems of Nostradamus clearly indicate

*"The great emperor will start from a lowly position*

*And quickly became strong*

*When he gained supreme power*

*The defeated prince was exiled to Elba*

*Will return to Marseilles via Genoa Bay*

*But he could not overcome foreign powers*

*Even though we escaped death, we still had to shed blood."*

Hitler's crimes, the atomic bombings in Nagasaki and Hiroshima, the US space shuttle exploding in 1985, the assassination of US President Kennedy. were all said to be prophesied by Nostradamus in his poems. .

## **Nostradamus's prophecy about what will happen in the world in 2021**

According to Daily Star, prophet Nostradamus is said to have made a number of prophecies and predictions about what will happen in the world in 2021.

1. Soldiers have electronic chips implanted in their brains with the purpose of improving their fighting ability and these new people will lead the army.
2. Russian scientists will create an extremely dangerous biological weapon. And this weapon will create a terrible virus that turns people into zombies (half human, half zombie) and causes humanity to become extinct, the world will end.
3. Humanity will suffer record famine. The French prophet wrote that humanity faces trouble after trouble including eras of famine, plagues and disasters from the sky.
