Dstraint: Deluxe Edition is rated as one of the classic game horror games of the world in 2015 with nearly 5000 compliments and 93% rating. Of the psychological horror genre, the game not only gives players the fear of being merely a devil or something specific but the game also goes deep into the psychological evolution, the demise of people before the crime of cause yourself.

Dstraint tells of Price, a debt collector and the process of realizing the true value of his so-called humanity. Although the game has such a linear plot, it has the nuance of an adventure game mixed with horror elements. In the game the player will be led into a murky place, containing unexpected situations.

In addition, the game also appeals to players thanks to the classic 2D style graphic design and the deep tones that make the horror in the game pushed up a notch higher.

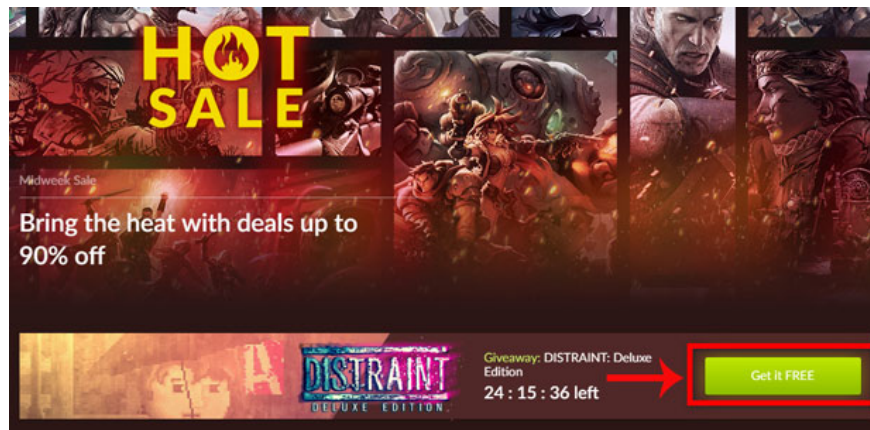

Dstraint: Deluxe Edition is really a super product for those who like the psychological horror adventure game genre.
