

# OnePlus 8 Pro shows up in the hands of 'Iron Man' Robert Downey Jr.

The image OnePlus 8 Pro was posted by director Sam Jones, but it was removed from social media.

As we all know, last year when the OnePlus 7T and 7T Pro duo debuted, OnePlus hired the "Iron Man" superstar Robert Downey to advertise their high-end flagship. And this year is no exception, once again we meet Robert Downey Jr. holding the mysterious OnePlus that many people believe is the upcoming OnePlus 8 Pro.

Image of Robert Downey Jr. holding the mysterious OnePlus smartphone

Image of Robert Downey Jr. is holding the OnePlus 8 Pro above posted on Instagram social networks by Sam Jones himself. Although it is unclear whether this was just an accident or an act of "teasing" for OnePlus 'upcoming smartphone, the image has been removed from Sam Jones' personal page, however, a few "Iron Man" fans quickly took screenshots.

The OnePlus that Robert Downey Jr. The design is quite similar to the previous renderings of the OnePlus 8 Pro, especially the main camera area on the back.

Detailed render of OnePlus 8 Pro revealed by OnLeaks

So maybe Robert Downey Jr. will continue to be the brand ambassador for OnePlus' new product this year. The price that OnePlus "hired" A-list actors to promote their products is not disclosed, but certainly will not be cheap at all, especially after the success of "Iron Man" in the bomb. tons of Avengers.
