

Play Battle Royale mode, Survival mode Play Together

Shoot or Hide: The Survival War is a game not too strange, but maybe it will contribute to Play Together players entertainment besides the mini games in the Game Party.

Play Together has had quite a few mini games since the game was launched and updated throughout its operation. The game party includes quite a few mini games that are organized by many gamers every day.

The Battle Royale genre has also been added to Play Together, it can be said that the peak of the survival shooter genre is over but this is still a very popular game genre. And now it's included in Play Together under the name Shoot or Hide: The Fight for Survival.

How to play Shoot or Hide: Survival Battle Play Together

Step 1: First to participate in the game Shoot or Hide: The battle for survival, find NPC Nick Vury in the Plaza area. This NPC appears in the area NPC Jean Leon, is the NPC selling the tree that used to stand here. Chat with him and agree to take on the quest Shoot or Hide: Fight for Survival.

Step 2: You will be taken to the plane with other players. Unlike **PUBG Mobile** or **Free Fire**, this cabin will be like a waiting room, and anyone who jumps out of this cabin will be assigned to a playroom with 7 other random players.

Step 3: You will join 7 other players to use weapons, healing, and batteries to fight anyone you see.

Step 4: Just stand in the circle of the item that you can get that item.

Step 5: Alternatively, you can hide in the grass and wait for the enemy to pass and attack. In addition to guns, you can get grenades to throw, you can't throw grenades in a row, but you have to wait a few seconds before you can throw the grenade again.

Step 6: Note that the game also has a circle and you must stand within the range of the circle to not lose health.

Your mission, of course, is to be the last survivor. You will get crown points and money for completing your mission. Even if you end your match not making the top 4 you still have money.

A game not too strange, but maybe it will contribute to Play Together players entertainment besides the mini games in the Game Party.
