

# Please download ALauncher Pro, the Material Designer launcher, for free

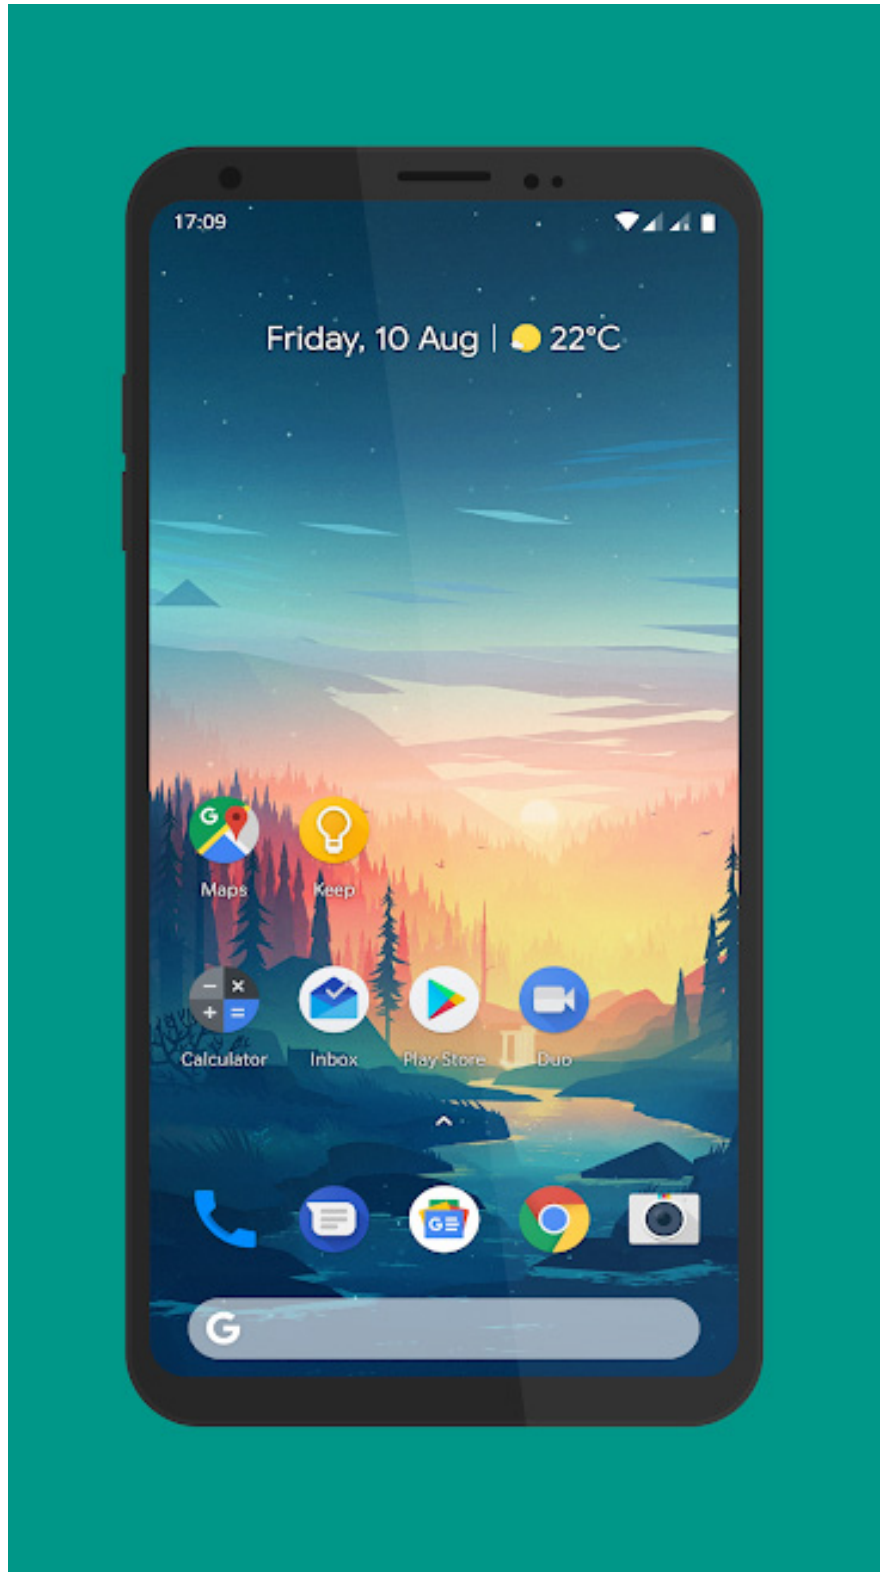

ALauncher Pro is a style-designed launcher that gives users a completely new interface with simplicity.

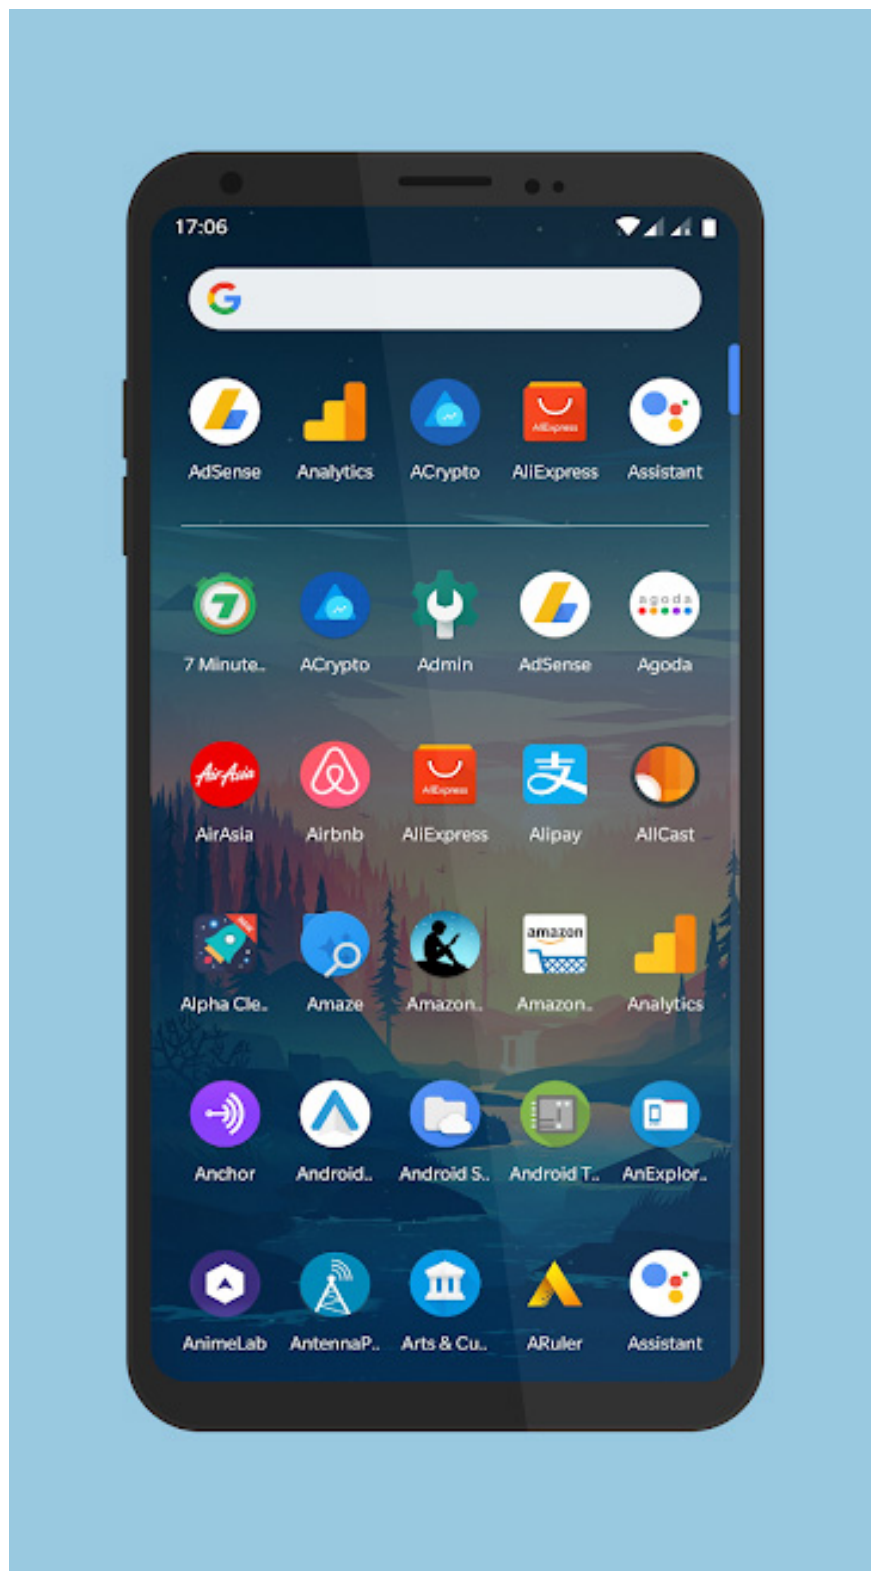

ALauncher Pro is a style-designed launcher that gives users a completely new interface with simplicity. In addition, the application is optimized for better compatibility with the hardware of the device, which will give users the best and smoothest experience.

ALauncher can work well on most smartphones currently on the market, including new screen sizes, tablets and running Android Jellybean, Marshmallow, Nougat, Kitkat and Oreo .

Some outstanding features of the ALauncher Pro launcher:

1. Separate launcher, simple to open with swipe up like Pixel Launcher 3.
2. Simple user interface: On the home screen and the application drawer, there is a search box, voice search shortcuts and frequently used application suggestions.
3. Google Now is integrated with feeds and important events from Google.
4. Support custom notification on application icons.
5. Supports Hotseat background changes, grid sizes, icon sizes and number icons.
6. Support customizing gestures and user gestures on the touch screen. Users can override the Home button task by Voice Search, Quick Search, Google Assistant, Application Search .
7. Each icon has a shortcut key, quick application removal support.
8. Users can optionally lock device security via App Lock Launcher.
9. .
