## **Batman: Arkham**

Batman: Arkham is an action adventure game series based on the famous superhero character in the comic, Batman - 'Batman - Dark Knight'. This game was developed by DC Comics.

Batman: Arkham has now released four versions: Arkham Asylum, Arkham City, Arkham Origins and Arkham Knight. These versions have impressive storylines and stories, which are appreciated by professionals and players.

In each version, players will face different criminals but one thing in common is extremely dangerous like Joker, Harley Quinn, Mr. Freeze, Poison Ivy, Bane, Riddler, Penguin, Two-Face . But it is that that gives players a new and more exciting experience.

## **Lego Batman Trilogy Pack**

The content of the game still revolves around the character Batman but is shaped in Lego style with colorful pieces. With The Videogame, DC Super Heroes and Beyond Gotham sessions, you will have the opportunity to

experience the complete LEGO Batman story.
