Forza Street Mobile racing game is based on the original version for Windows 10 that Microsoft launched in April 2019.

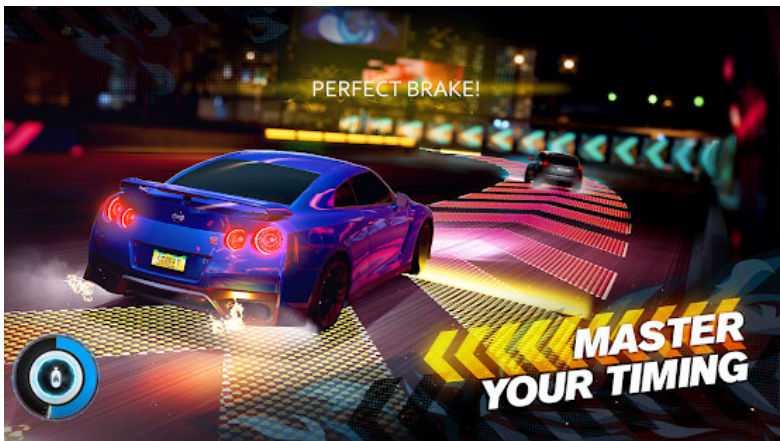

Forza Street Mobile racing game is based on the original version for Windows 10 that Microsoft launched in April 2019.

In the game, players will be able to participate in the top-notch style racing races around the streets of Miami. You will experience many different types of supercars such as Pherari, McLaren, Lamborghini, Porsche .

If you win the highest position in the high-speed race, players will receive rewards to help unlock new cars, from the legendary classic cars to luxurious modern super cars.

Although belonging to the racing category but different from Asphalt, Need of Speed ??or Real Racing, Forza Street's gameplay is more about drag race. This helps players easily control the car to accelerate to the finish line. Players only need to pay attention to adjust the throttle time, brake and acceleration to be able to win.
