Epic Games Store is free to 2 games, including puzzle adventure game **Wilmot's Warehouse** and game **3 out of 10**, EP 1: "Welcome To Shovelworks is in the adventure adventure genre until August 13th. Although they are all in the adventure genre, they bring you completely different adventures.

1. Puzzle adventure game **Wilmot's Warehouse**

Wilmot's Warehouse is about the warehouse manager Wilmot is responsible for pushing, sorting, and sorting different types of products. The feature of the warehouse is that there are many things and not neat and tidy. Your task is to arrange the goods in the right place, neatly according to your arrangement. We can arrange the goods by color, type, decimal system or according to your own rules.

However, where you put the goods, you need to remember clearly, because you will have to find the goods that customers request quickly in order to receive Performance Stars for more manpower-saving upgrades. The game supports co-op play.

Configure settings:

1. System: Windows 7/8/10.
2. CPU: AMD Athlon 64 X2 Dual Core 6400+, 3.2GHz, Intel Core2 Duo E8400, 3.0GHz.
3. Graphics: 9800 GTX, Radeon HD 5850 and above.
4. 1GB RAM.
5. 100MB memory.

2. Game 3 out of 10, EP 1: **Welcome To Shovelworks**

The attraction of **3 out of 10**, EP 1: **Welcome To Shovelworks** is its blend of elements of adventure, adventure, and comedy. The game is about the game studio Shovelworks, where the employees work with eccentric characters, always thinking of weird jokes. We will be playing the role of new employee Midge in the position

of handling animation effects for the game. Midge has always wanted to create quality games, but in reality, Midge always has to deal with the annoying games of his colleagues in the studio.

The game has custom settings for game speed, fast forward details, return to previous content, pause to observe the whole scene to have the appropriate direction .

Configure game settings:

1. Operating System: Windows 7/8/10 [64-bit].
2. CPU: 3.0 GHz Intel Core i5 or AMD FX or higher
3. 8GB of RAM or higher.
4. 1GB memory.
5. Direct X: DirectX 11
6. Graphics: Nvidia GTX 660 or AMD Radeon HD 7870 with 2GB VRAM
