

Please download Live or Die: Zombie Survival Pro, the survival game is very good and is free

Live or Die: Survival Pro is an extreme survival game that takes the topic of the Zombie disaster.

Live or Die: Survival Pro is an extreme survival game that takes the topic of the Zombie disaster. Players will be taken to a wild world, where billions of people have been turned into bloodthirsty zombies, always hunting for survivors. The task of the player is to rely on their ability to build a safe base, make the necessary equipment to fight zombies and survive.

During the game, you can unlock many other items (weapons, new armor .) corresponding to each index through the blueprints to have more ways to kill zombies. In addition, you must also be aware of attacks on your safe place from other players.

Note that, in this dangerous rife world, safe place is extremely necessary for your character to rest, restore basic health index. So, in addition to equipped with strong armor and weapons, you need to build strong walls with many traps to avoid the Zombie. To do this, you move to the laboratory, the abandoned military base, the new lands . and search, you will receive surprises.

Live or Die promises to bring you the most wonderful relaxing moments.
