On Epic Store, there is a free gifting program for the role-playing horror game Layers of Fear, priced at \$ 7.99 and puzzle adventure game QUBE2 priced at \$ 8.99 until the end of October 31. If you are interested in these 2 games, download them quickly before the promotion ends.

QUBE 2

In this puzzle adventure game, players will be taken to a mysterious world, the land of aliens. Players will play the role of character named Amelia Cross, an archaeologist is stuck in this mysterious world. Your task is to solve a series of 'brain hack' puzzles including 11 levels with over 80 puzzles to help Amelia Cross find your way home.

Layers of Fear

This is a first-person horror game focusing on psychological factors to bring fear to the player. In the game, the player plays the daughter of an aspiring artist who paints a masterpiece for life. After years of returning to the childhood home, the player will face the tragedy that has devoured his family before.

The extremely lively sound system in the game can satisfy any hard fans of horror games.
