

Please download Serial Cleaner, a super cool action game worth \$ 14.99, which is free

Serial Cleaner is an action game with an extremely engaging sneaky gameplay set in the 1970s.

Serial Cleaner is an action game with a very covertly engaging gameplay set in the 1970s. The task of the player is to clean up the evidence of the case so that the police don't find out but the culprit is someone. there. Why do you have to do this? Players will have their own answers during the game experience.

The graphic background with the typical cartoon style of the 70s and the seductive jazz music also contributed a lot to make Serial Cleaner more interesting.

An interesting feature of Serial Cleaner is that most of the content and murders in the game are inspired by real life events that often occur in the 1970s.

Currently, distributor Humble Bundle has a free program to offer this exciting game for a short time, until November 24, 2019. If you are interested in Serial Cleaner, please register and download it before it is charged again.
