

Download Survivalist: Invasion PRO, a super zombie survival game is being free

Survivalist: Invasion PRO is an anti-zombie survival game combined with an attractive new RPG element.

Survivalist: Invasion PRO is an anti-zombie survival game combined with an attractive new RPG element.

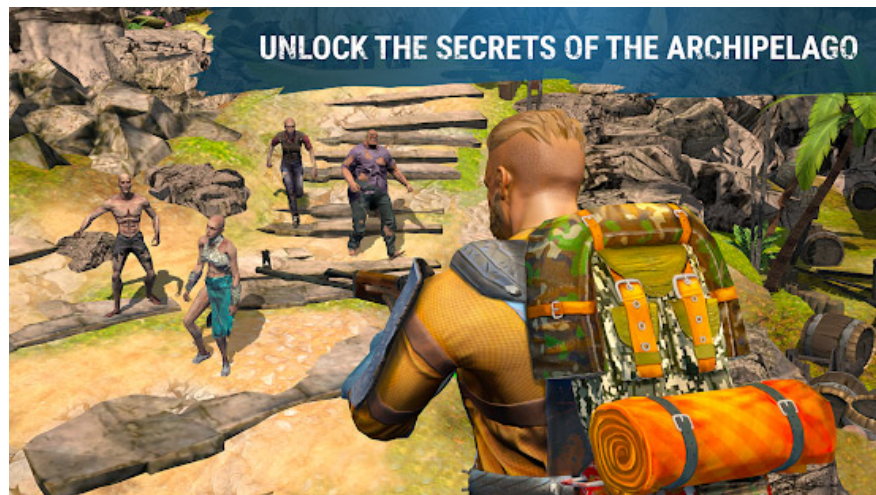

The context of the game revolves around tropical islands known as the "paradise" resort, where terrorist organizations use as a basis to perform experiments, develop viruses that can turn into into biological weapons that could wipe out humanity.

In the game, players will transform into a secret agent with the alias UNKknown with the task of preventing an impending global disaster.

In addition to finding resources, weapons and equipment necessary for survival, players must also build a safe haven to avoid the attacks of Zombie. In each battle, you will face many different monsters like zombies, mutant creatures possessing super powers. Each player's decision will directly affect the life of the character in the game.

During the game, you can unlock many other items such as weapons and new armor, helping increase the power to kill Zombie.

Currently, the survival game Survivalist: Invasion PRO is free to play on the Play Store until March 27, 2020. If you love this game, download it quickly before the promotional period ends.
