After selecting the brand logo to find the font, click on that logo to switch to the detailed information interface page. There is almost full design of each brand's logo here since its establishment so that users can refer. When opening the preview form, the "Click here to download the [brands]" button will appear. To download that font

you just need to click on that button.

The screenshot displays a webpage with several sections:

- Top Section:** A preview of the classic Coca-Cola logo in red script. To its right, under "Primary Colors", are two color swatches: a white square labeled "#FFFFFF" and a red square labeled "#E71922".
- Second Section:** A white box containing the text "Loki Cola" in a simple sans-serif font, with a red arrow pointing to it from the right. Below the text is a smaller version of the Coca-Cola script logo.
- Third Section:** A preview of the Coca-Cola logo with a red rectangular border. To its right, under "Primary Colors", are two color swatches: a white square labeled "#FEFEFF" and a red square labeled "#F52614". Further right, the text "Obsolete Since 1941" is displayed.
- Fourth Section:** A white box containing the text "Coca Cola 4" and "Not a font". To the right of this box is a grey button labeled "Official".
- Fifth Section:** A large grey banner with the text "Download The Loki Cola Font" in bold black font.
- Sixth Section:** A preview of the classic Coca-Cola logo in red script. To its right, under "Primary Colors", are two color swatches: a white square labeled "#FFFFFF" and a red square labeled "#E71922". A red arrow points from this section down to the link below.
- Seventh Section:** A green text link that says "Click here to download the Loki Cola font".
- Eighth Section:** A white button labeled "Test out the font" and a green text link labeled "A- A+".
