

Poppy Playtime Chapter 2: A guide to collecting VHS figurines and tapes

In Poppy Playtime Chapter 2: Fly in a Web there are new collections for players to find and collect. These have their own area under the Inventory tab.

In this latest installment of Poppy Playtime, there will be a total of 9 statues for players to find, hidden in the Game Station. In this article, learn how to collect all 9 Poppy Playtime Chapter 2 figurines.

Instructions for collecting statues in Poppy Playtime Chapter 2

Statue 1: Daisy in Elliot Ludwig's office

The first statue everyone will encounter in the game is of Daisy. The player can find Daisy sitting on a desk in Elliot Ludwig's office. It's right outside and very easy to find. Simply grab the statue with your hand or walk up to the statue and interact with it to add it to your inventory.

Statue 2: Train in the Playground in Game Station

Note: It can be obtained anytime the player is in the Game Station.

Inside Game Station, gamers can go to the playground on the left when facing the train station. Find a slide with a yellow roof. Inside that pipe, people will find the train statue.

Statue 3: The Green Hand in the Molding Room

The next statue that gamers can collect is the Green Hand statue. This statue is located inside the Molding Room. In this room there is a large square machine with several hands inside. At the top of the machine is a statue of a Green Hand. The player can get it from the ground or go up the stairs and get it from above.

Statue 4: Bunzo in the Stock Room

After completing the Musical Memory room, the player enters through a vent that leads to the StoreRoom. Inside this room, everyone has to solve a puzzle using a crane. Along the path of the crane, gamers will find Bunzo above several boxes. Place the crane on the statue and then power it on with the Green Hand. The crane will pick up the statue, so move the crane and it will drop down for you to collect.

Statue 5: Kissy Missy on Broken Stair

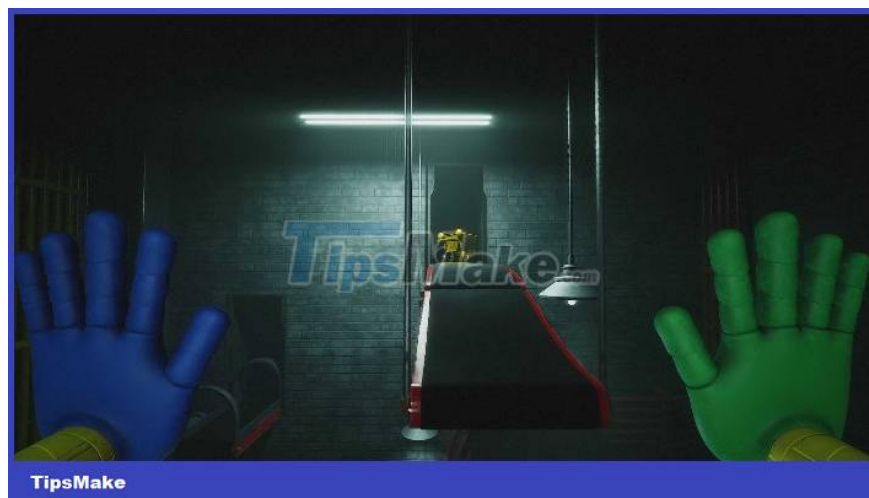

After defeating the Wack-a-Huggy minigame, the player will go down a corridor that leads to a room with a broken multicolored staircase in it. Go up the stairs as far as you can until you reach the ceiling. Go downstairs and the Kissy Missy statue will be about halfway there.

Statue 6: PJ Pugapillar in Hard Slide Choice

Continue the game until you reach the Stop/Go section. In this section, select the Hard Slide option. Near the end of the slide, the player will find a statue of PJ Pugapillar to his left.

Statue 7: Barry at C2 of Water Treatment

Go to the room called C2 of Water Treatment, where gamers need to get a cup of Bunzo Bunny. Then, take the elevator to the top floor of the room. At the top, look for a red carousel and above it is Barry. Grab it by hand to add Barry to your collection.

Statue 8: Mommy Long Legs in the Vent

Important: This statue is easy to miss. Be ready to embrace it when the right time comes.

This is the most easily overlooked statue because there is so little time to make. While being chased by Mommy Long Legs after it tells everyone to start hide and seek, pull a red rod that starts the carousel the character walks on. At the end of the carousel, the character will be dropped into the hole, where the statue of Mommy Long Legs is.

Statue 9: Claw Across from Train Control Building

The last statue can be found at the end of the game. After defeating Mommy Long Legs, gamers will be above the Game Station. At this location, the player will find a building. Opposite this building, on the rafters, will be the statue of Claw Across.

Instructions for Collecting VHS . Tapes

Players can easily find VHS tapes because most of them are near the TV. Only 2 tapes are located elsewhere.

The cyan VHS tape will be on the stairs.

When opening the green hand charger, the player will collect a red VHS tape.
