

# Poppy Playtime Chapter 2: How to find and locate all VHS tapes

VHS tapes are one of a variety of collectible items in Poppy Playtime Chapter 2, shedding light on the dark and gritty history of Playtime Co., its founders, and other fascinating stories.

While these collectibles aren't necessary for development or tied to any in-game achievements, Poppy Playtime fans want to shed some light on the latest chapter of the indie game series. This horror should definitely find them to interact and explore. In this article, learn how to find all the VHS tapes in Poppy Playtime Chapter 2.

## How to find all VHS tapes in Poppy Playtime Chapter 2

Unlike Poppy Playtime figurines, sticky notes or audio logs, VHS tapes cannot simply be collected and used on-site. Instead, players will need to take them to a nearby VCR player, insert the tape, and view its contents on the screen.

In other words, fans should be aware not only to collect VHS Tapes, but also to watch the video before it's completed. To use the VHS tape, interact with the VCR player near the screen. Once the tape is inserted into the device, the display will automatically turn on, allowing the player to view the visual log.

There are a total of 7 hidden VHS tapes set in the world of Poppy Playtime Chapter 2. Most of them can be found while in plain sight on floors or easily accessible surfaces.

On the other hand, there are a handful of harder-to-get tapes that players might miss. One suggested strategy is to keep a close eye on VCRs and their connected displays. These objects will signal a hidden or currently nearby VHS tape. there.

# Location of VHS tapes in Poppy Playtime Chapter 2
