The PUBG Mobile 0.15.5 update is approximately 240MB on iOS devices and 210MB on Android. Players who install the 0.15.5 update before November 14 will receive many attractive gifts and 20 silver coins, 2,000 BP.

## New updates in PUBG Mobile version 0.15.5

With the theme "The Fury of the Wasteland", the PUBG Mobile 0.15.5 update will provide players with desert-themed weapons, vehicles and skins. If you buy a Royale Pass, players will receive many more desert-themed rewards.

Team Deathmatch mode of EvoGround is added a new map called The Ruins, bringing gamers to explore the jungle and ancient spirit temples. Players will appear in different positions in this new map and experience an interesting playing style.

An MP5K submachine gun uses 9mm bullets, has a rate of fire of 900 rounds / minute and has a 33 damage force updated for the Vikendi map in this new update. The MP5K is also equipped with a variety of accessories including assorted viewfinder, shotgun, and laser sight.

PUBG Mobile 0.15.5 also adds a new means of transportation that will replace UAZ in the Vikendi map called Zima, a snow-terrain vehicle with a maximum speed of 115km / h. Although Zima is slower than other vehicles, it is easier to drive than other 4-wheel vehicles, more resistant to damage.

A new character named 'Sara' with unique vehicle enhancement capabilities, which helps reduce the damage caused by vehicles while driving in EVO mode.
