

PUBG Mobile: Instructions for registering Crew Challenge tournaments

In order to register for Crew Challenge, you must comply with a few rules of the tournament and are not allowed to change the options that have been set.

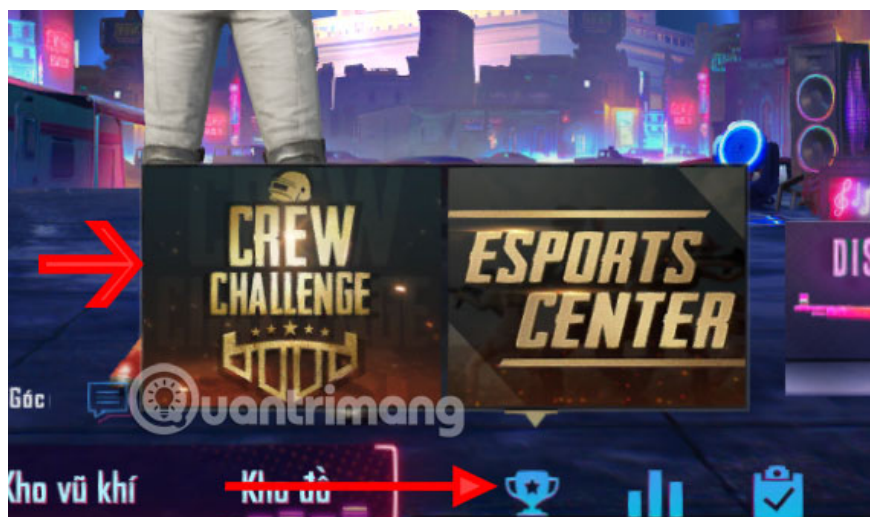

Crew Challenge is a tournament for PUBG Mobile gamers, you will register directly in the game and not through any organization or individual. When participating in this tournament you will have the opportunity to receive many valuable rewards.

The requirement to participate in this tournament is very simple, you have to create yourself a team with 4-6 members and only the team leader can register, besides, Crew Challenge only accepts PUBG Mobile gamers. On the phone, for gamers who download and install PUBG Mobile VNG on the computer (Tencent Gaming Buddy), they cannot participate in this tournament. How to register you can follow the instructions below.

PUBG Mobile: How to register for the Crew Challenge tournament

Step 1: First, click on the event icon in the main interface, then select Crew Challenge.

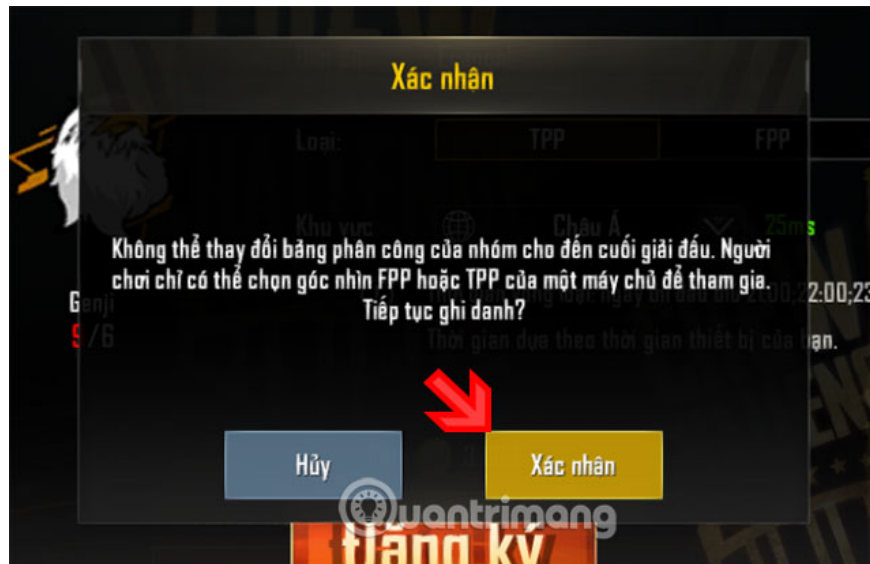

Next, click Register.

Then select the type of perspective and region to participate in the tournament, then click Register below.

Then see the **Confirmation** message to register the tournament.

Note that when you choose the viewing angle you will not be able to change it again, all matches are played in the Erangel map. If there are 6 members but only 4 people in a match, the system will automatically select 4/6 members who are participating to participate. Any use of the software, any PUBG Mobile support application will be considered fraudulent and will be banned.
