

# PUBG Mobile Vietnam launches the Official Website, requires gamers to declare Real Name and ID card

VNG - the issuer of PUBG Mobile in Vietnam has opened an official website of PUBG Mobile Vietnam with the announcement of PUBG Mobile Vietnam version and a user agreement to provide clear and key information more accurate to gamers.

Shortly after the official announcement of the blockbuster PUBG Mobile game will officially be launched in Vietnam, there will be a separate server for Vietnam and updated with 100% Vietnamese interface, VNG - The publisher of this game has opened an official website of PUBG Mobile Vietnam with the announcement "Launching PUBG Mobile Vietnam version" and a "user agreement" to provide clear information and more accurate to gamers.

In the user agreement section, the most notable item is *"Collecting, Using and Protecting Customer Information"* . This section highlights the requirements that gamers have to make in order to experience PUBG Mobile when the game returns to Vietnam. Specifically:

Thus, gamers will have to clearly and fully inform about: Name, date of birth, ordinary address, ID card or passport, phone number . If the player does not comply with the request above (information provided is incomplete or wrong), VNG reserves the right to refuse to provide services or limit game content.

This request is made by VNG to limit players' cheating behavior.

In addition, in the "user agreement", there are also acts that gamers should not violate in the game as stated in the "Violations & Remedies" section. Specifically:

If violating, gamers will be subject to different penalties ranging from mild to heavy depending on the level:

For more detailed information about this user agreement, gamers can access the PUBG Mobile VN official website under the link below:
