

PUBG Mobile Zombie: The location appears RPD police station Raccoon Police

These are locations where the RPD building will appear in Zombie mode: Survive Till Dawn, you will meet the G-Virus boss in this building.

In Zombie mode: Survive Till Dawn in PUBG Mobile VNG, players will only be "around" in an area of ??the hottest locations of the Erangel map like Pochinki, School, Rozhok, Mansion, Shelter, Prison, Farm and some other small areas.

The reason Tencent only chose this area is because these are the most looted areas on the Erangel, supporting initially equipped players to fight off zombies when new to the game. In addition to this area, there is another new secret area where PUBG Mobile does not officially notify users.

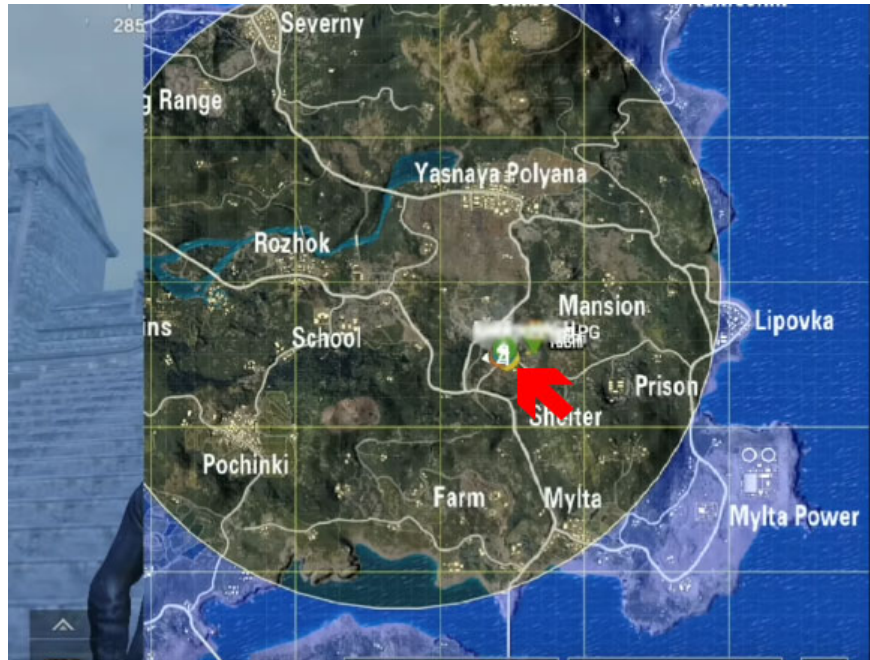

That is the RPD Raccoon Police building, this is the symbol of Resident Evil 2. The location of this building will not be fixed but will appear randomly on the map, you can see the location of This building is below and will know what is in it.

PUBG Mobile Zombie: The location of the RPD building Raccoon Police

1. Location of the first RPD building

The first will be the location near Shelter with the location of the identification point is located near a small building with a large warehouse.

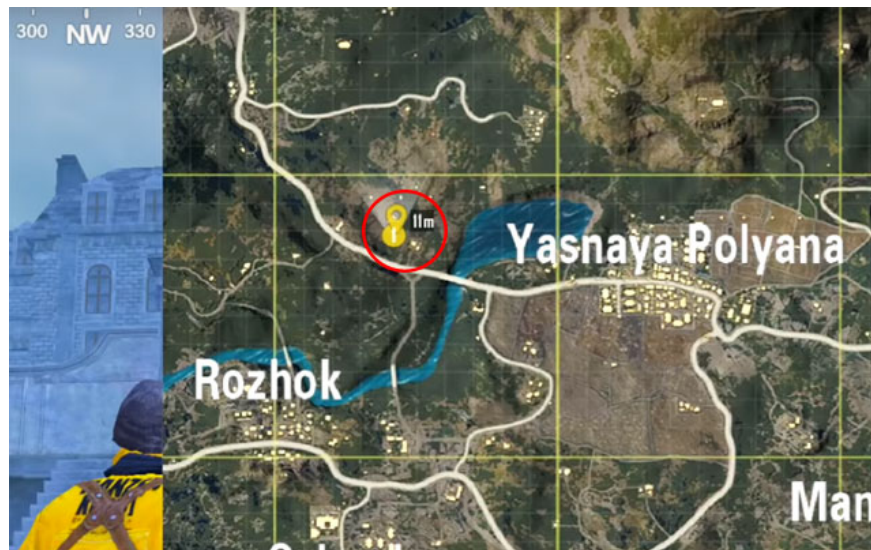

To take a closer look, you can look under this picture, it is a path that has easy-to-identify curves near three hot spots on Erangel, Mansion, Prison and Shelter.

2. The 2nd position appears RPD building

Second place will be near Rozhok and Yasnaya Polyana town. It is located just across the bridge connecting Yasnaya Polyana town.

When parachuting you will see the building appear below, if you don't see it, it doesn't appear in this location. In here you will find zombies along with many other items.

In particular, you will meet a character who is not anywhere on the map, which is Dr. William Birkin or G-Virus.

The identity of this guy was mutated by his body and his right hand was enlarged, his shoulder grew a huge piece of meat, and his hand was holding an iron tube, and lurched back and forth to see who then the hand is straight without a bit of mercy. If you want to destroy him, go from two people or more.

Many of you must have seen this house before you debuted and thought it was a new map, in fact it was just another mysterious location placed on the Erangel. If you have determined to jump down here, be prepared to face "the enemy" around.
