

# Quick update guide Tencent Gaming Buddy

If you regularly update Tencent Gaming Buddy, you will be supported with more games and more exciting new features.

Tencent Gaming Buddy is just the emulator that supports playing PUBG Mobile on your computer with control optimizations, game graphics . And no games are supported on this Android emulator.

Want to install an external game, you must follow the way to install the external APK file on Tencent Gaming Buddy. And this is not easy at all because you will have to change the Tencent Gaming Buddy language to Chinese to have the option to install an external APK file.

But now Tencent Gaming Buddy has supported the list of mobile game players that can be installed on this Android emulator. Just go to the **Game Center** section and you will see the games supported by Tencent Gaming Buddy, just select the game you like and click **Install** to play.

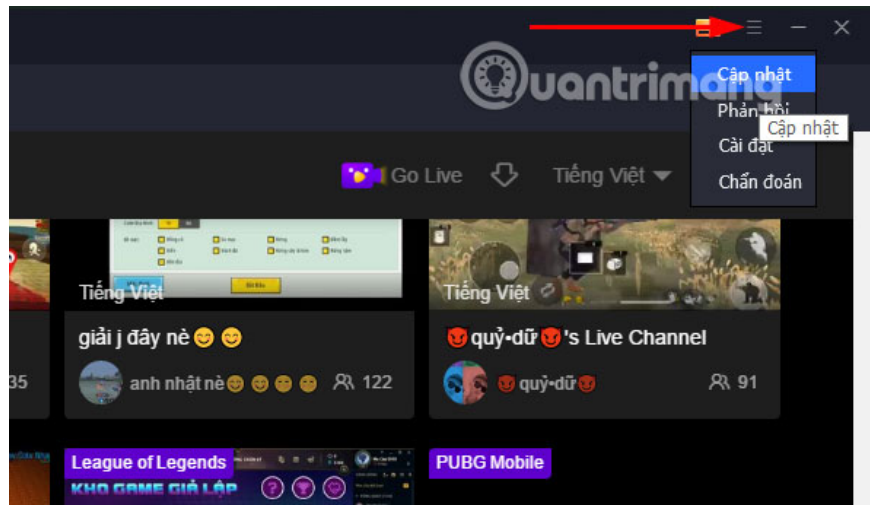

To keep up to date with the latest game titles supported on TGB, please check and update Tencent Gaming Buddy regularly by following the instructions below.

1. How to install Mini World: Block Art on Tencent Gaming Buddy
2. How to change Tencent Gaming Buddy language into Vietnamese
3. How to record a video playing PUBG Mobile on Tencent Gaming Buddy

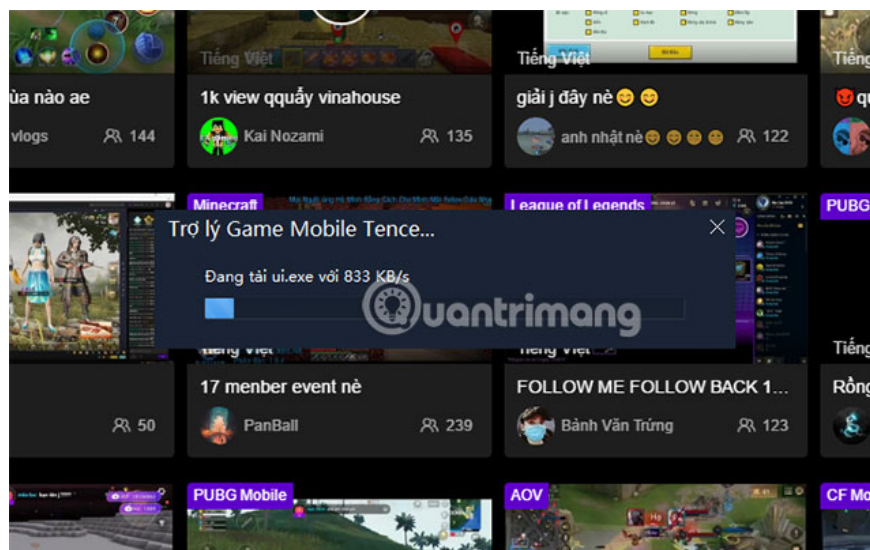

## Tutorial to update Tencent Gaming Buddy

Download Tencent Gaming Buddy

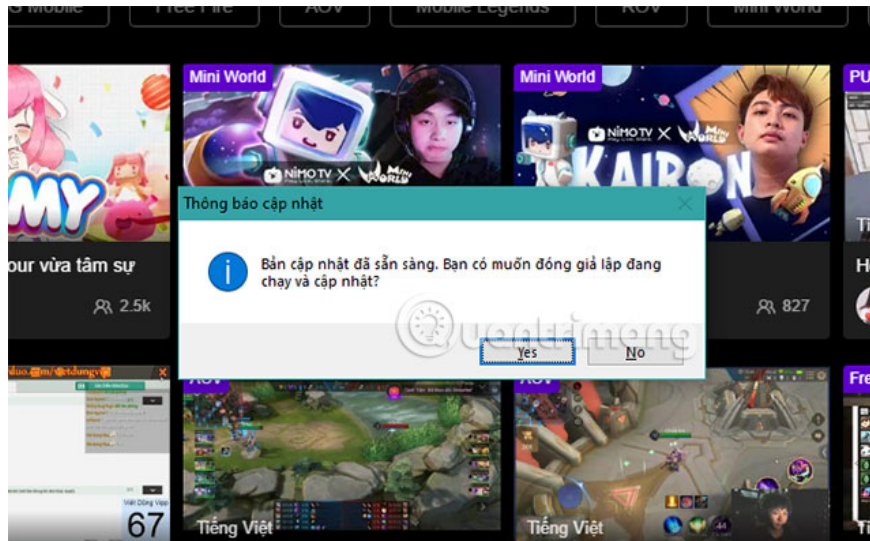

**Step 1:** To update the TGB, click on the menu icon as shown below and select **Update** .

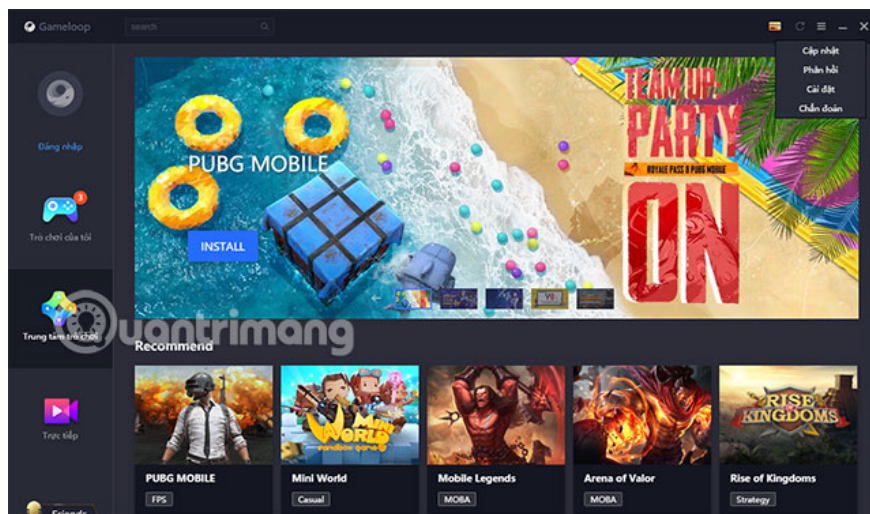

If you have a new version of Tencent Gaming Buddy, you will see the system automatically download this new version.

Wait for a while after TGB updates the new version, there will be a message that the update is ready, press **Yes** to agree to update.

After updating, you will see Tencent Gaming Buddy be renamed to Gameloop

With the new update, you will be supported with additional games in the Game Center section, along with a few new features that appear as search features. You can type the name of the game you want to find and the games of the same genre.

In addition, you can see the **Friends** feature at the bottom of the TGB feature list, which will help you make friends and invite everyone to play with the game you are playing. You can select the available game from the list.

In these games there will be rooms created, you can enter the room and run the game with the members in the room. Or create your own room and invite your friends to play with you.
