Stellar Phoenix Data Recovery for iPhone, the application that helps recover data on the iPhone if unfortunately deleted, costs \$ 50 and today is free on the Giveawayoftheday site.

Stellar Phoenix Data Recovery for iPhone, the application that helps recover data on the iPhone if unfortunately deleted, costs \$ 50 and today is free on the Giveawayoftheday site.

If you need a solution to recover all kinds of lost data or accidentally delete from iOS devices, Stellar Phoenix Data Recovery for iPhone is a great choice. In addition to making it easy to retrieve messages, contacts, call logs, attachments, it also helps you recover notes, reminders, calendar and bookmarks in Safari deleted from iPhone.

Stellar Phoenix Data Recovery for iPhone supports iPhone X, 8 Plus, 8 and iOS 11.x, 10.x, 9.x, 8.x, 7.x, 6.x. versions. To own free data recovery application with license key, follow the instructions below.

Step 1 : Go to Giveawayoftheday promotion page and click **Download now** button.

The screenshot shows a promotional page for Stellar Phoenix Data Recovery for iPhone. At the top, the URL is <https://www.giveawayoftheday.com/stellar-phoenix-data-recovery-for-iphone/#>. The main heading is "Giveaway of the day – Stellar Phoenix Data Recovery for iPhone". Below this, it says "Recover lost photos, videos and more!". There is a product image of the software box with a green badge that says "\$49.95 FREE TODAY". To the right of the image, there are two steps: "1 | Stellar DataRecovery Code" and "2 | Start Download". Below the steps, there is a "User rating" section showing 27 (66%) thumbs up and 14 (34%) thumbs down, along with "14 comments". At the bottom, there is a green banner that says "Stellar Phoenix Data Recovery for iPhone is available as a Giveaway of the day! You have limited time to download and install it." and a large green "Download Now" button. A countdown timer shows 05:24:56, with "hours", "mins", and "secs" labels below the digits.

In the new window that appears, enter the email address in the **Enter email address Here** box to get the download address.
