Every zodiac sign has their own sense of humor, but which zodiac signs are the funniest? Here's how the zodiac signs are ranked by humor, according to LoveToKnow.

Every **zodiac sign** has their own sense of humor, but which zodiac signs are the funniest? Here's **how the zodiac signs are funnier, according to LoveToKnow** .

Gemini

Geminis have a sharp tongue, a quick wit, and are one of the smartest signs of the zodiac. They are very sociable, the life of the party, and the wittiest sign of the zodiac. All of this combined makes Geminis the funniest sign of the zodiac.

Lion

Leos love to show off in everything. And because they love to be in the spotlight, they have honed their ability to make people laugh. Leos' sense of humor runs the gamut, and will produce hearty laughs. They deserve to be center stage.

Sagittarius

Sagittarians are funny in a class clown kind of way. Because they're a bit like oversized puppies, friendly and affectionate Sagittarians will start telling jokes and funny stories with such enthusiasm that you can't help but find them really funny.

Aries

If snarkasm (sarcasm combined with snark) is your favorite type of humor, then you'll love Aries. They're incredibly funny and snarky, and they're also natural mimics, which makes them quite funny.

Virgo

The quiet ones are the ones you need to keep an eye on. Sure, Virgos may seem very introverted, but that's what makes their on-point sense of humor so unexpected and therefore so funny. Virgos are smart, observant, and critical, which gives them a sharp sense of humor that's sure to make people laugh.

Scorpio

Scorpio's sense of humor isn't everyone's cup of tea, but if you enjoy dark humor, you'll find Scorpios to be one of the funniest signs of the zodiac. Sometimes their humor can seem a little mean, but for the most part, their dark humor is unexpected and incredibly funny.

If you're not on this list, don't worry, it doesn't mean you're not funny. The rankings are relative. Which zodiac sign is the funniest to you? Let's share!
