

# Razer launches a special collection for Valentine's Day gamers: Full pink is pink

Valentine's Day is coming and Razer will hold an early celebration for his fans by launching a collection of new products, and especially all will be pink.

Valentine's Day is coming and Razer will hold an early celebration for his fans by launching a collection of new products, and especially all will be pink.

What is interesting is that Razer, which is known for its gamer-dominated, black-green colors, is suddenly launching a series of 'cute' pink products. Many female gamers, female streamer have expressed their interest in the new pink gaming accessories line that the manufacturer calls this 'Quartz'.

In fact, Razer had previously released some pink devices. Last year, they released Razer Blackwidow Tournament Edition keyboard, Razer Kraken Pro v2 headset and pink Razer Lancehead mouse.
