

Redmi Note 9 Pro / Pro Max: Snapdragon 720G, 5200mAh battery, priced from 4.09 million

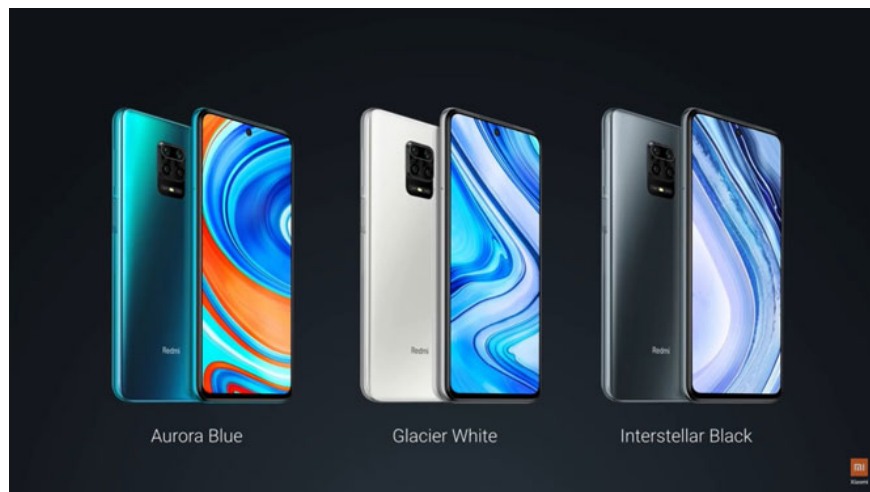

Xiaomi has officially launched the new generation of Redmi Note 9, the product line is expected to follow the success of Redmi Note 8 series with many valuable changes.

Xiaomi has officially launched the new generation of Redmi Note 9, the product line is expected to follow the success of Redmi Note 8 series with many valuable changes.

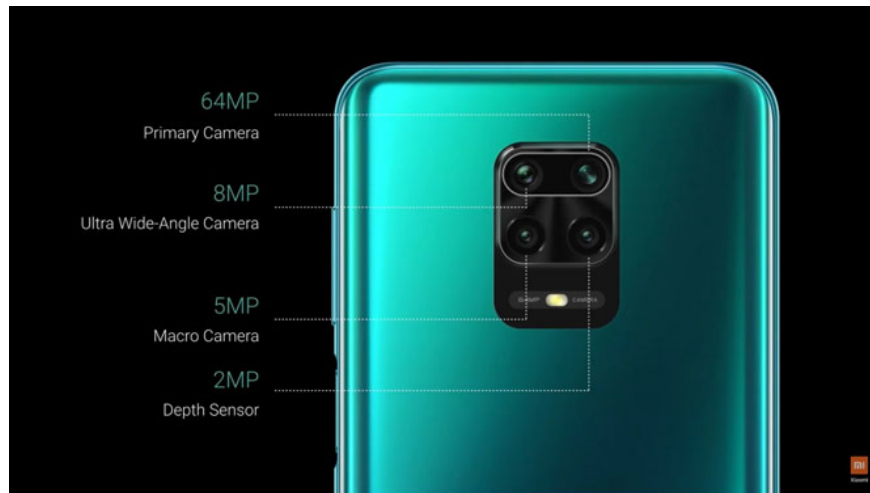

Redmi Note 9 Pro Max

Machine is equipped with screen size 6.67 inch, FullHD + resolution, the ratio of 20: 9 and has "punched".

The fingerprint sensor of the device is located on the side to help the back become seamless.

The cluster of 4 cameras on the back of the device is placed in a square cluster in the middle of the back including a 64MP main camera, an 8MP wide-angle camera, a 5MP macro camera and a 2MP camera that supports depth measurement. Redmi Note 9 Pro Max has a 32MP selfie camera, supports beauty and "erases fonts".

Regarding configuration, Redmi Note 9 Pro Max is equipped with Snapdragon 720G processor with 6 Kryo 465 cores operating at 1.8GHz, 2 Kryo 465 cores clocked at 2.3GHz, and Adreno 618 graphics GPU. Up to 8GB of LPDDR4 standard, UFS 2.1 internal memory helps to improve read and write speed. The battery of the machine has a capacity of 5020mAh and supports 33W fast charging technology.

The Redmi Note 9 Pro Max has an infrared port for controlling peripherals and USB-C.

Redmi Note 9 Pro

The Redmi Note 9 Pro has the same design and configuration as the "Max" version like the 6.7-inch screen with FullHD + resolution, Snapdragon 720G processor, 5020mAh battery. However, the main camera of the device has been reduced to 48MP resolution instead of 64MP, selfie camera is only 16MP instead of 32MP. Another difference is that the fast charging of the Redmi Note 9 Pro drops to 18W.

The selling price of Redmi Note 9 Pro / Pro Max

Redmi Note 9 Pro Price 4GB + 64GB 12,999 RS (about VND 4.09 million) 6GB + 128GB 15,999 RS (about VND 5 million) **Redmi Note 9 Pro Max** 6GB + 64GB 14,999 RS 6GB + 128GB 16,999 RS 8GB + 128GB 18,999 RS

1. Nokia 5.3: Snapdragon 665 chip, 4000mAh battery, 4 rear cameras, surprisingly cheap
2. Black Shark 3: Snapdragon 865, heatsink all-board, has two buttons on the side
3. Realme 6 and Realme 6 Pro: 90Hz screen, 64MP camera, 30W fast charging,
