

Rename users in Gmail, Yahoo and Outlook

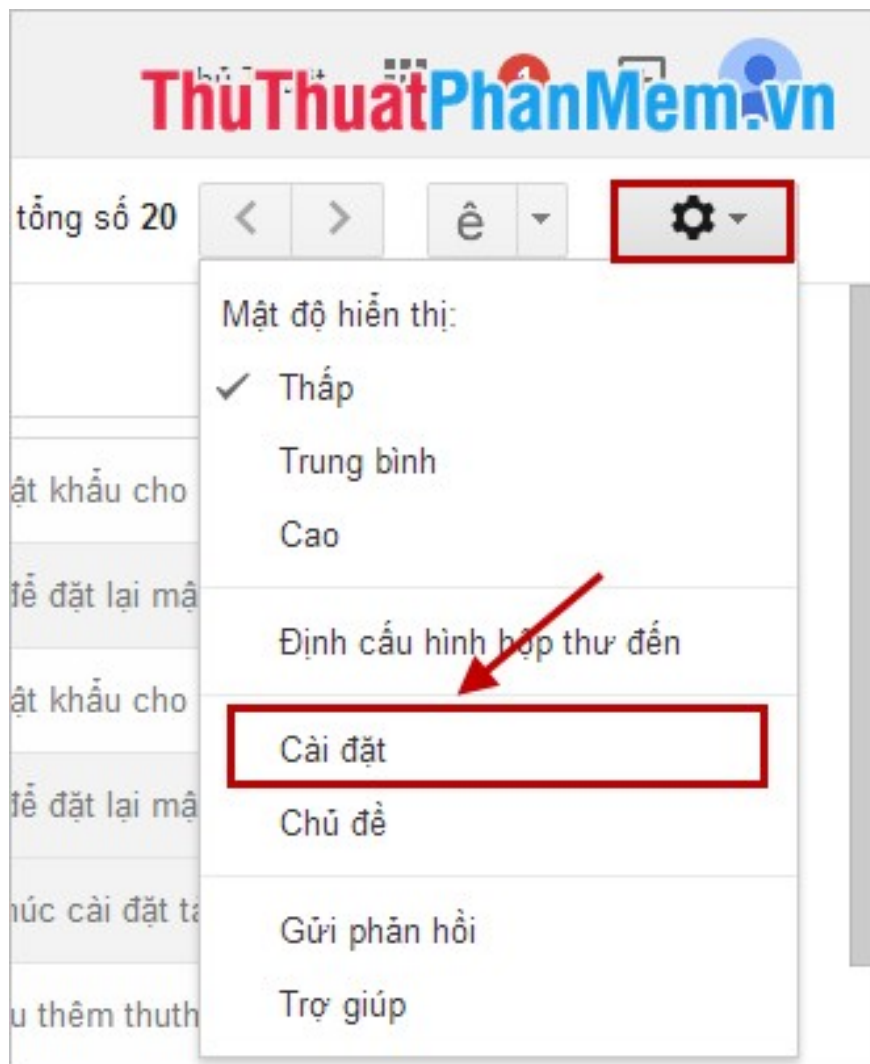

The following article shows you how to change the username of email accounts in Gmail, Yahoo mail, Outlo

During the registration of email accounts, you can enter the wrong name order on the account, so you want to correct it or you want to change another name to suit the purpose of using that email. But you don't know how to change your username yet?

The following article shows you how to change the username of email accounts in Gmail, Yahoo mail, Outlook.

Change your username in Gmail

Step 1: Log into your Gmail account, on the gmail interface you select the **Settings** icon -> **Settings** .

Step 2: In the settings window, select the **Account and Import** tab , in the **Mail to address** section, click **edit information** .

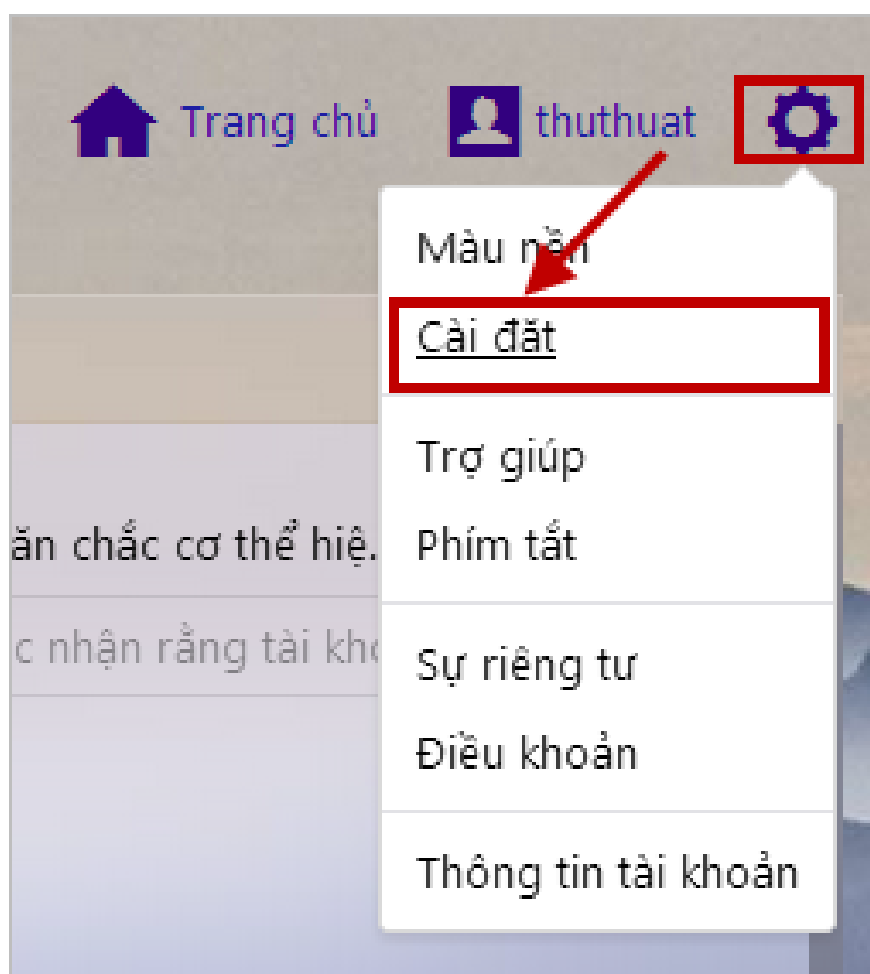

Step 3: The **Edit email address** window appears , enter the name you want in the **Name** . Then click **Save Changes** .

Change the username in Yahoo mail

Step 1: Log into your yahoo mail account on your web browser, on the mail interface select the **Help** icon and select **Settings** .

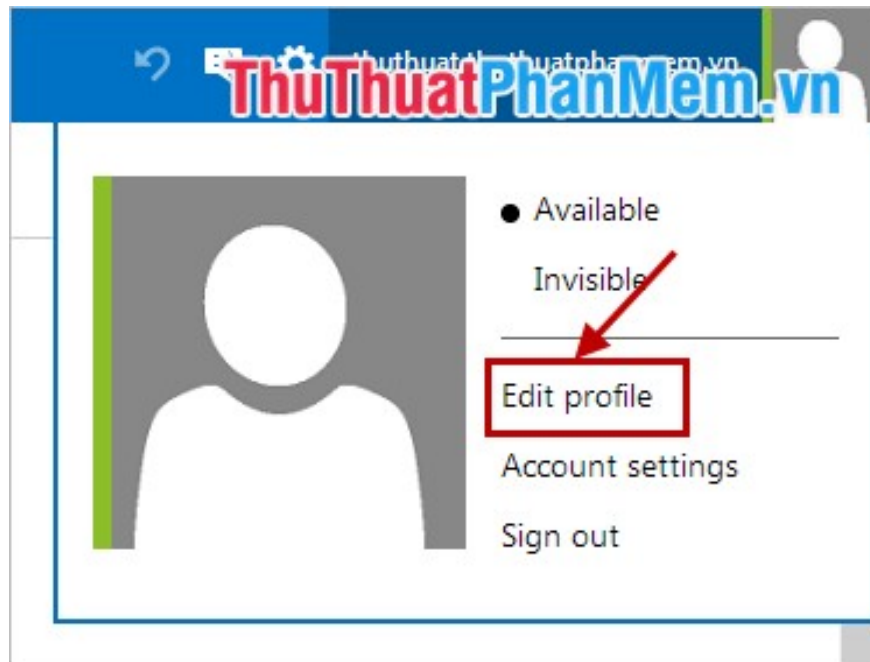

Step 2: In the Settings window, select the **Accounts** tab in the left menu, then click **Edit** in the **Yahoo account** section .

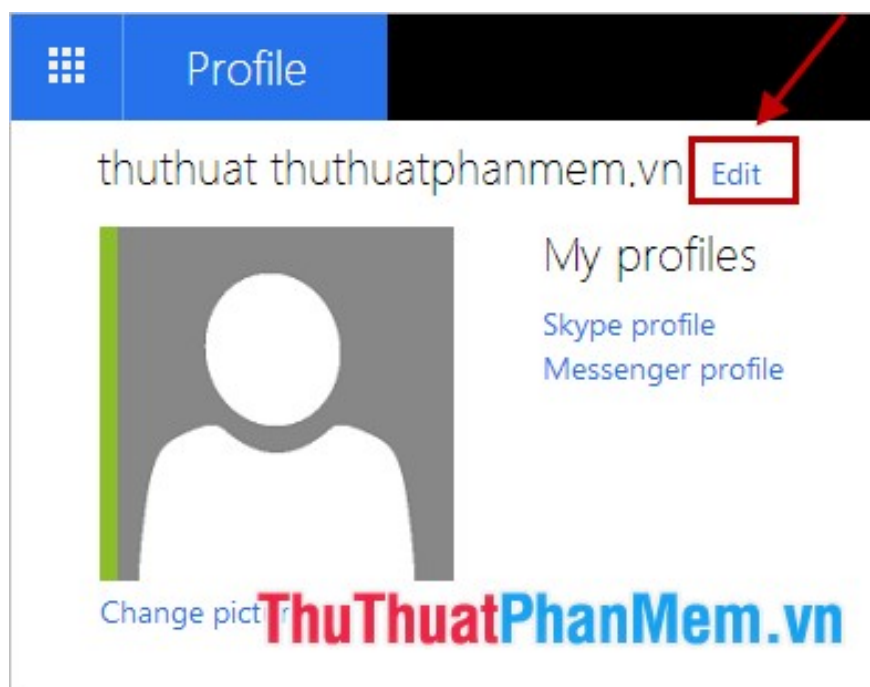

Step 3: You change the name in the **Sender** field then click **Save** to save changes.

Change the username in Outlook

Step 1: You log into your outlook account on outlook.com, on the interface you click on the avatar and select **Edit profile**.

Step 2: Appear to edit information page, click on **Edit** next to the account's display name.

Step 3: You change the name in the **Edit name** , after the change is complete you click **Save** to save.

The image shows a web interface for editing a profile. At the top, there is a blue header with a grid icon and the word 'Profile'. To the right, there is a black banner with the text 'ThuThuatPhanMem.vn' in red and blue. Below the header, the main content area is titled 'Edit name' and contains the instruction 'Identify yourself across a broad range of Microsoft products and services.' There are two text input fields: 'First name' with the value 'thuthuat' and 'Last name' with the value 'thuthuatphanmem.vn'. At the bottom, there are two buttons: a blue 'Save' button and a grey 'Cancel' button. A red arrow points to the 'Save' button, which is also enclosed in a red rectangular box.

With simple operations, you quickly change the username in the email account of the mail service. Good luck!
