

# Resident Evil 4 Remake will receive DLC this month

Capcom has announced that the DLC version of Resident Evil 4 called Different Ways will be released on September 21.

The expansion of this PC Game will supplement the story of Ada Wong and her parallel journey alongside Leon through the events of RE4 Remake.

This journey will answer questions that players have when controlling the recent RE4 Remake. The story will be revealed as you see both sides of events from Ada and Leon's perspective, Capcom producer Edvin Edsö said in a post on the PlayStation Blog. Extensions will include:

## Separate Ways

This DLC allows players to control Ada Wong in a new side story. Ada will face new challenges and discover new secrets throughout Leon's journey.

## **Mercenaries Mode**

This DLC adds some new characters and new weapons to Mercenaries mode. This DLC update has received positive feedback from fans. They appreciate the new content and improvements that the update brings.

Here are some details about the two new pieces of content in the DLC update:

### **Ada Wong's backstory in the DLC**

**Separate Ways:** Separate Ways takes place parallel to the main story of Resident Evil 4 remake. Ada Wong is hired by Albert Wesker to obtain a sample of Amber, a new biological weapon. Ada will have to face many new and dangerous enemies to complete her mission.

**Character:** Ada Wong will be the main character of Separate Ways. She will be assisted by several new characters, including a member of the US special forces and a local resident.

Game Mode: Separate Ways is a linear side story. The player will have to complete a series of missions until the final mission in the story.

## **Mercenaries Mode**

Characters: Two new characters will be added to this mode: Albert Wesker and Lady Dimitrescu.

Weapons: Mercenaries Mode will add a number of new weapons to gamers, including a grenade launcher and a heavy machine gun.

Mission: The goal of Mercenaries Mode is to destroy as many enemies as possible in the shortest amount of time. Players will be ranked based on the number of enemies destroyed, completion time, and remaining lives.

Each character will have their own style, Ada Wong will infiltrate a deserted village in Europe under the orders of her master Albert Wesker, as will Luis Serra, a character who is Ada's accomplice and has sworn to help her find her. okay Amber.

Ada also has a hook gun as well as other in-game weapons and Leon's knife block mechanism. Hook guns can be used to discover new locations. It can even help take down enemies from afar and support long-range combat. Capcom said that hook guns can "deliver a more exciting and faster-paced gameplay experience".

And finally, Capcom used State of Play to show off a gameplay trailer for Resident Evil 4 VR Mode running on PSVR2. The free update will launch this coming winter.
