

# Review 3D God War - Super nice game inspired by the blockbuster Silk Road

Launched for more than a week, but the 3D God War is still an extremely exciting and exciting playground, not to be missed by the super product of Funtap.

With the first images so eye-catching, **3D God War** quickly received much love from gamers. After only a few days of opening, this game quickly surpassed a series of 'mid-sized' competitors of the role-playing game series and occupied the top of the popular application charts on AppStore and Google Play. It is known that 3D Spirit War on the launch day has more than 100,000 downloads. This achievement makes the game quickly receive attention not only from gamers, but also become the admiring desire of many new products.

## 'Dissect' the 3D Spirit origin

According to information from Funtap and many gamers, the 3D God War is a spectacular 'makeover' of the Double Sword that has been launched in 2019.

If you do not know, at the time of April like this last year, the Double Sword has also `` beaten " all the game charts on the launch day, with its own beautiful and sparkling graphics. More attractive features than many role-playing games at that time.

If you've ever played through the unique sword, certainly 3D God War will not disappoint you from the first series of images when creating the character to go into the story. Sharp and unbelievably detailed but not every 3D game can do so, each motion picture, until the water ball, or rotation, . all look like a blockbuster movie, attractive that players forget what they usually do when playing a game and quickly press through the story.

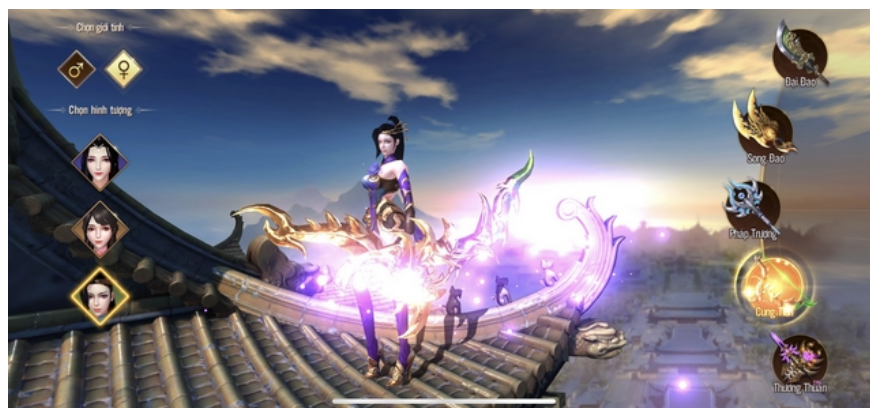

## Graphics like movies

About Chien Than 3D, this is a martial arts role-playing game full of action with beautiful and modern full 3D graphics, inspired by the Silkroad blockbuster (Silk Road), the game opens a world of Gypsy vast with the highest breakthrough combat features.

It must be said that, although it is a martial arts game with the story of Three Kingdoms, the look in the 3D God War makes people feel lost in a European mythical heaven, different from the images familiar to Vietnamese gamers. about the old Three Kingdoms world. The game is about the great war between Wei - Shu - Wu, you will be a support hero and then find the destiny of heaven and earth to save people.

As we all know, anyone who is crazy about pk definitely loves action games like this. And those pk battles must meet many factors such as fire, strategy, strange, unexpected, . The fact that a character can use 2 different weapons can be said to be more strange than many games of the same genre. a lot, in parallel there is also accompanied by 10 separate skills when fighting, there is no doubt, this is the arena to help players maximize their potential PK ability, not stop at the sentence. vip or not vip and auto story anymore.

Review arrogant sword 3D - blockbusters in 2020 by Funtap

Nearly 50 thousand people flocked to Ngao Kiem 3D to experience the Alpha Test version, a desirable number of many new games.

In addition to this unique feature, almost everything in 3D God War is relatively seamless as many role-playing games of the same genre. You will do the tasks slowly level up and slowly unlock everything unique in the game. Each mission is an interesting storyline that takes players into different worlds and from that story, you will know how to choose the right generals for the 'circumstances'.

In the activity board 3D Warriors is not lacking in epic battles with the Boss. At the same time, the ability to compete with the server is also an indispensable part and of course not lacking in a 'hacked' action game like this.

Are you looking for a game that is beautiful, unique, and dramatic? Perhaps 3D God War is an interesting option there!
