The game Subway Surfers will take you to a special city - where mischievous children often create mischief. The climax was when they used spray cans to draw on the walls of the train station. At this time, the police and the sniffer dog will begin to chase the vandals.

You will transform into a naughty little boy on the run from the inspector's hot pursuit. On the run, you need to avoid obstacles and collect gold coins through some simple operations such as shaking the phone, swiping up, swiping down, swiping left, right.

If you encounter train cars blocking you, dodge to the sides, or jump up and down with the barriers in the middle of the road. Besides, Subway Surfers also supports players with items such as:

1. Magnet: When possessing this item, the character will automatically absorb all the gold coins on both sides while running. The usage time of magnets picked up on the run will be 10 seconds, while magnets bought in the store will last up to 30 seconds.
2. Double Points: This item will double the value of the gold coins you collect while running away from the policeman.
3. Jetpack: Using this item, the character will fly high in the air and will not need to hide or avoid any obstacles for 10 seconds. Don't forget to take advantage of the opportunity to pick up gold coins from the sky during this time.
4. High jumping shoes: These shoes allow the character to jump 2 times higher than usual within 10 seconds.
5. Skateboard: During a certain time of 30 seconds, the player will not trip or bump into obstacles.
