(128GB/8GB)

Currently, there are many large and small chain stores that distribute Samsung Galaxy S20 products. However, not always find genuine products, attractive promotions, after-sales service "genuine oysters" and especially also home delivery in super-speed time as when buying at Samsung's genuine store, on Shopee Mall. "Feel free to

shop - receive goods at the door" with Samsung and Shopee, see details on Shopee.

#### 4 reasons "standard without adjustment" should buy Samsung products on Shopee!

Samsung has genuine "genuine oysters" stall on Shopee

With the desire to bring convenience to users in general and the "Sam mania" in particular to access Samsung products, this brand cooperates with leading e-commerce sites in Southeast Asia and Taiwan, creating space. genuine products on Shopee Mall and offers a range of exclusive, extremely attractive value for all users.

"Peace of mind to shop, get door to door" is the great online shopping experience that users get when choosing to buy any Samsung product at the brand's genuine store on Shopee.

#### Activate warranty

For purchases in offline stores, you may encounter product warranty status, "like new 99%" or disguised laptop goods. This will make you worried and hesitant to buy a Samsung smartphone. For added peace of mind, you can choose to buy the Samsung products in general and the Galaxy S20 in particular with just one touch, when accessing genuine Samsung stores on Shopee. Not only can the product itself seal intact, but users also receive the same warranty policy as the manufacturer. Not to mention receiving more incentives that come with extremely attractive value. Quick access today!

#### Free shipping - delivery

Come to Shopee, customers drop shopping for the latest products of Samsung without having to worry about geographical distance. Once in stock, products will be delivered immediately to customers in the shortest time. In addition, Shopee's support center is also available 24/7 ready to answer customers' questions about the service.

#### 0% installment payment is extremely easy

Can't afford the Galaxy S20 now? No worries because Shopee offers an attractive 0% interest installment plan. With just a few simple steps, customers will own Samsung brand new product in their hands, nothing is more

wonderful.

By having an account of the above banks, customers will be able to participate in Shopee's extremely attractive 0% installment plan

**In particular, Shopee offers "Sam crazy fans" to the "Shop Samsung at Shopee - no need to spend money on phone washing" program with a series of super attractive offers, whereby:**

15 orders to buy a Samsung Galaxy S20 phone or the first 55-inch TV product every day receive a voucher of VND 500,000 immediately.

30 successful orders of Samsung products from the first 6 million per day will receive a voucher of 200,000 VND.

250 successful orders of the first 2 to 6 million Samsung products each day receive a voucher of 50,000 VND.

This is a 1-0-2 chance for users to own "extreme" Samsung Galaxy S20 and many products are "best-seller" of the Sam family with many exclusive privileges. Visit the genuine Samsung booth at Shopee now to receive the best deals of the month here!
