

Samsung Galaxy Z Fold 5, Z Flip 5 revealed variant information, color options before the launch time

It is no exaggeration to say that nebulae are among the most beautiful structures found in space. They are essentially giant clouds of dust and gas, shimmering with light from countless nearby stars.

x The Korean tech giant has confirmed that it will announce new generation of foldable smartphone models within the framework of this event. Although it did not mention the specific identity of the product, it is clear that it will be the highly anticipated Galaxy Z Fold 5 and Galaxy Z Flip 5 duo, especially after the unsuccessful launch of the company. predecessor generation.

Ahead of the launch, information about the variants according to storage capacity as well as color options of the two new folding screen smartphone models has been widely shared on the internet, providing a relatively detailed view of the orientation. from Samsung with a new product line.

Galaxy Z Fold 5, Z Flip color and memory options

As revealed by the famous Indian technology blogger Ishan Agarwal, the Galaxy Z Fold 5 will ship with three color options, including black (Phantom Black), Cream and Icy Blue. The phone will be available in three storage options: 256GB, 512GB, and 1TB.

On the other hand, the Galaxy Z Flip 5 will have other relatively unique color options. Such as 'Graphite', 'Cream', 'Lavender' and 'Mint'. There will only be two storage variants for users to choose from: 128GB and 256GB.

The leaked source revealed that the Z Fold and Z Flip 5 will also come in Samsung-exclusive color versions. These variants will only be available for sale through Samsung's online store. Ishan Agarwal said that Samsung has not yet determined the exact sale/shipping date for its upcoming foldable smartphone models, but it is expected to fall between August 12 and August 18 at the most. It could be August 22 depending on the market.

The pre-order page for Galaxy Unpacked suggests that Samsung will also showcase new tablets and smartwatches at the upcoming event. This is in line with previous rumors suggesting that the Galaxy Tab S9 series of tablets and the Galaxy Watch 6 series will be launched alongside the Galaxy Z Fold 5 and Galaxy Z Flip 5 on July 26.

You can watch the Galaxy Unpacked 2023 event live on Samsung.com and the company's YouTube channel. The event starts at 20:00 KST
