

## Samsung's 10.5-hour battery netbook

The 'massive' netbook race continues to heat up as Samsung unveils the N120 with a lifetime of 10.5 hours.

**The "massive" netbook race continues to heat up as Samsung has just launched the N120 with a lifetime of up to 10.5 hours .**

The N120 is the next netbook for Samsung to succeed the N110 and N130.

This model is equipped with a 6-cell battery, announced use time will be up to 10.5 hours.

It has a 10.1-inch screen, but the full-sized keyboard is equivalent with 12-inch models.

In addition, it also has a 1.3 Megapixel camera, 3-in-1 card reader and 3 USB ports, Bluetooth connectivity.

It has a plastic cover, a standard wide screen and external speakers on both sides.

Along with the N110, the N120 will be available in April this year.
