

Select the first beautiful online phone number in Vietnam for VND 50,000

Users can select the favorite number along with Vietnamobile's phone number.

After launching Saint sim, Vietnamobile continues to introduce to users the service of selecting the number of "Diverse Digital Warehouse - Choice of spoiled" first in Vietnam. With the service of selecting 'Favorite Number', customers are free to choose a beautiful, meaningful phone number for them such as birthdays, anniversaries, lucky numbers, .

Users can select the favorite number along with the number of Vietnamobile by accessing the domain name: chonso.vietnamobile.com.vn/. The first product introduced in February is "Number of Heroes" and "Number of Bears", accompanied by 3 numbers: 092, 0188 and 0186.

"Benefit Number" starts with the number 01866ddmmy and 01888ddmmy, customers just need to type in the meaningful date and select the desired number.

"Bear Number" is the phone number for the merchant, partner, friend, the customer can choose the same 2 sim with up to 3 different ending numbers.

Instructions for using the service to choose beautiful digital sim online:

Step 1: Visit the website: chonso.vietnamobile.com.vn to select and set the phone number.

Step 2: Register customer information.

Step 3: Go to Vietnamobile's door to receive the sim.

The price of selected sim numbers is 50,000 VND / number. To maintain the selected number, customers need to load and use VND 50,000 per month.
