

Shivered to see the cobra writhing up and spitting out plastic bottles in India

The cobra of the Lord puffed up his mouth to find a way to vomit the plastic bottle out of the astonishment of many people in a village in Goa, India.

The cobra of the Lord puffed up his mouth to find a way to vomit the plastic bottle out of the astonishment of many people in a village in Goa, India.

1. I have the unique venom in the world of snakes, the sea snakes are eating again and again in a moment
2. Snake dead readers fool African wild cats

Before that, no one knew why the cobra swallowed the plastic bottle. But then, he had to struggle to find a way to vomit the object out. Many people believe that the snake may have mistaken the bottle with small prey and swallowed it.

This is the first time the snake has swallowed the plastic bottles recorded in the world. The people of Carve village witnessed this strange scene to be happy when the snake vomited successfully from the belly.
