

## 'Smile wants to lose teeth' with the most funny photos in the 'Funny Nature 2017' contest

For the purpose of calling for the sense of human nature preservation, The Comedy Wildlife has organized a contest of 'Humorous Nature 2017'. With the aim of bringing a humorous perspective on nature, photographers from 86 countries around the world have sent 3,500 photos to the competition.

For the purpose of calling for the sense of human nature preservation, The Comedy Wildlife has organized a contest of 'Humorous Nature 2017'. With the aim of bringing a humorous perspective on nature, photographers from 86 countries around the world have sent 3,500 photos to the competition.

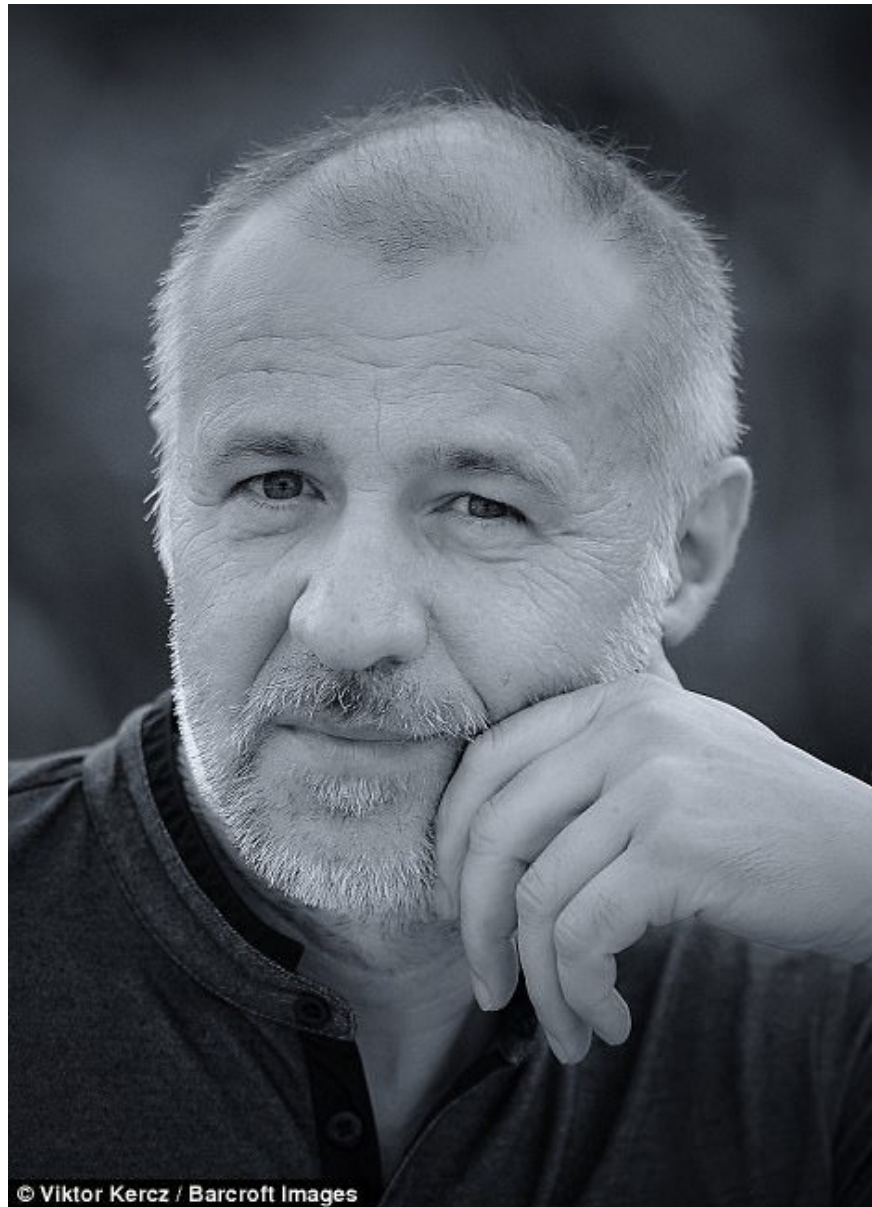

1. 27 funny photos make you say "what happened"
2. A series of funny and funny photos about lovely pets

Here are the most interesting works in this year's competition, posted on the official website of The Comedy Wildlife.

Save me with you guys!

This is the first winning photo announced by the organizers. Tibor Kercz, a Hungarian photographer, captured the moment when the young owl lost his foot and was trying to climb the tree in the neglect of his two brothers on a walk in the village of Opusztaszer, in southern Hungary. .

Tibor Kercz - the winner of the competition.

A uncle dormouse, a hybrid animal between squirrels and mice, is smiling freshly in the sun. While walking in the forest of Mount Guglielmo, Italian photographer - Andrea Zampatti heard a strange sound, and discovered this funny rat.

Photographer Bence Mate, sneaking into the 'intimate' moment of the bear couple in a romantic moonlight in Harghita, Romania.

Are two mudskippers (mudskipper) taking 'singing'? No, the fact that they were fighting for territory was caught by photographer Daniel Trim and captured.

In front of his friend's demonic action, the seal did not startle, panic. George Cathcart did not miss this expensive spectacle.

'Get on your car!'The work of Katy Laveck Foster makes many people enjoy.These two monkeys live in North Sulawesi, Indonesia.

'I am the king of this meadow.'Many people are startled to see the sight of a wildebeest standing on hundreds of other antelopes captured by Jean-Jacques Alcalay at Masai Mara, Kenya.

The super cute moment of the polar bear mother was made by Daisy Gilardini in Manitoba, Canada. But sticking like that, how can a mother bear sit down!

© Douglas Croft / Barcroft Images

Photographer Donatlas Croft recorded this funny image at the golf course in San Jose, USA. Maybe the fox 'can't stand it' anymore. Thinking that no one would see, anyone could expect to be on the air.

It is not good to have itchy when it is 'dangerous' but 'foot, hand' is impossible. The picture was taken by Jodie Ramackers.

Penny Palmer did not miss the moment the happy otter played in the middle of the race when he caught a drift of grass.

"Get out of my way!" The moment the sea turtle 'slapped' a different fish was recorded by Troy Mayne in Bacong, Philippines.
