

Sony Vaio CA, CB 2012 can cost from 750 USD

Vaio CA and CB have a variety of colors to choose from, modern and youthful lighting styles as well as the optional Ivy Bridge for Vaio CA.

Vaio CA and CB have a variety of colors to choose from, modern and youthful lighting styles as well as the optional Ivy Bridge for Vaio CA.

Some members of the *Notebook Review* forum recently posted a number of images that are said to be the new Vaio CA and CB laptops with two versions of 14 and 15 inch screens respectively.

The new Vaio CA generation will use the Ivy Bridge processor platform while the CB series will still use the older Sandy Bridge chip generation. The new models are redesigned with more curves and also have many colors to choose from. Chiclet-style keyboard and backlight support.

Sony Vaio CA and CB models are expected to be released this month. The price will be very good, maybe only from 750 USD.

Here are some photos for Vaio CA and new CB:

The new Vaio CA and CB are more youthful and modern.

It has 4 colors to choose from: black, pink, white and blue.

Scratched design on the top.

Chiclet keyboard with internal backlight.
