

Stadia - Google's Chrome browser platform launched in November in 14 countries, supporting 31 games

Google Stadia is a completely cloud-based gaming platform, with no configuration requirements, no control panel, players cannot hack or cheat.

Google Stadia is a completely cloud-based gaming platform, with no configuration requirements, no control panel, players cannot hack or cheat. Since Google introduced this cloud-based gaming platform, it has attracted a lot of interest from the technology community around the world.

According to the introduction of Google, Stadia with 4K resolution and 60fps for higher graphics quality than both PlayStation 4 and Xbox One.

Stadia will launch this November in 14 countries and support at least 31 games from 21 different game publishers.

Stadia will support two models:

Google Stadia Base: This model allows users to play games with 1080p image quality, frame rate of 60fps, stereo support. It will be released next year, free but without a game, users have to spend money to buy.

Google Stadia Pro: This model costs \$ 9.99 a month, supports 4K images, 60fps, 5.1 audio and comes with a number of free games over time.

Get three free months of Stadia Pro, and dive into Destiny 2: The Collection.

Stadia Founder's Edition comes with a free three-month Stadia Pro subscription,⁷ unlocking access to an ever-expanding library of free games starting with Destiny 2: The Collection (including the Shadowkeep and Forsaken expansions with Annual Passes, Curse of Osiris, and Warmind). Here's how it works:

<p>Stadia Pro: Part of Founder's Edition</p> <p>\$9.99 / mo Three months included in Founder's Edition.</p> <p>Resolution: Up to 4K</p> <p>Frame rate: 60 FPS</p> <p>Sound: 5.1 surround sound</p> <p>Buy games whenever you want: Yes</p> <p>Additional free games released regularly: Yes, starting with Destiny 2: The Collection</p> <p>Stadia Pro-exclusive discounts on select game purchases: Yes</p>	<p>Stadia Base: Coming next year</p> <p>Free</p> <p>Resolution: Up to 1080p</p> <p>Frame rate: 60 FPS</p> <p>Sound: Stereo</p> <p>Buy games whenever you want: Yes</p> <p>Additional free games released regularly: No</p> <p>Stadia Pro-exclusive discounts on select game purchases: No</p>

If you choose to cancel Stadia Pro, you can play the games you've already purchased on Stadia Base without a subscription.

Stadia also has a Founder Edition package, priced at 129USD for 3 months Stadia Pro, Night Blue Stadia Controller limited-edition handset, Chromecast Ultra connected device and Destiny 2 game.

Basically, Stadia is not a subscription service but more like a game store with a more extensive play platform. Destiny 2 is only available for a single game.

As recommended by Google, to play games at 4K / 60fps quality, users need to use a 30-35Mbps transmission line, with 720p / 60fps quality with a minimum transfer rate of 10Mbps.
