

# Steps to delete your LinkedIn account

LinkedIn allows users to delete accounts, delete all profiles on the site. If you don't want to use your LinkedIn account, you can proceed to delete your account.

LinkedIn allows users to delete accounts, delete all profiles on the site. If you do not want to use your LinkedIn account, you can proceed to delete your account. After you delete your account, you will lose your rights. Access all data on your account. Your profile will disappear from the LinkedIn website and may disappear from search engines like Google, Bing and other search engines.

## 1. Things you need to know

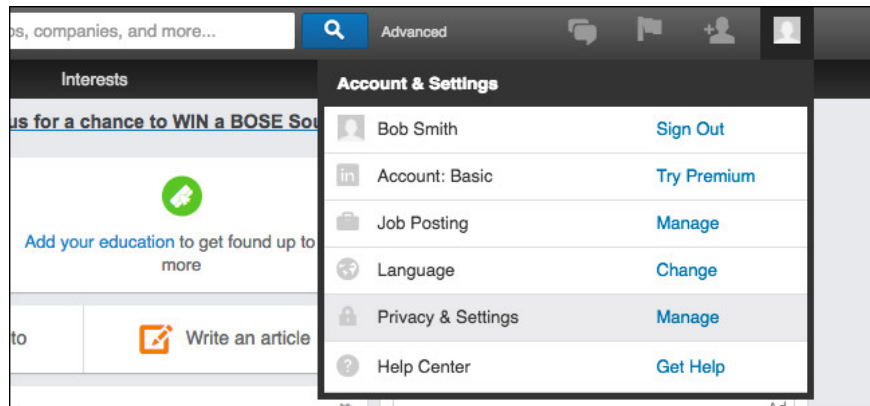

After deleting your account, **you will lose access to** all data on your account. Your profile will disappear from the LinkedIn website and may disappear from search engines like Google, Bing and other search engines.

If you change your mind, you can reactivate your account within 20 days of deleting your account. However, data such as group members, people you follow, invitations, confirmations, recommendations, etc. will be lost.

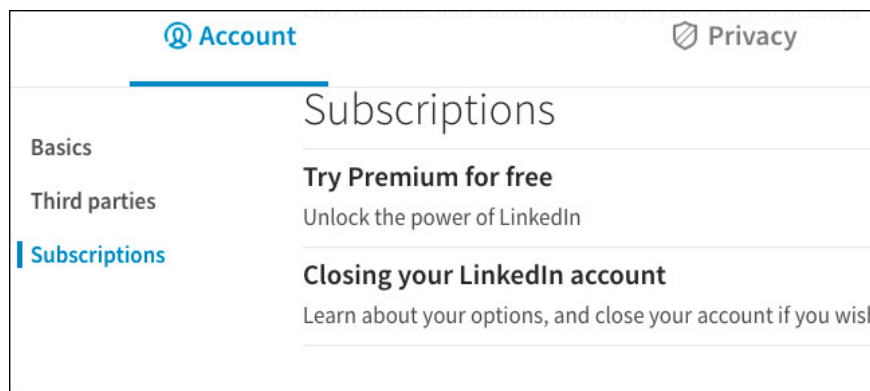

**Before deleting your account, you can download a copy of LinkedIn data** . To do this, you can access your Request Your Data Archive page on the LinkedIn website and click on the 'Request Archive' button.

## 2. Delete the LinkedIn account on the computer

To delete a LinkedIn account on your computer, go to the LinkedIn website, then move your mouse over your **profile** image in the top right corner of the page, click **Manage** then select **Privacy & Settings** .

Scroll down to the Account page, find and click **Closing Your LinkedIn Account** at **Subscriptions** . Alternatively, you can access the **Close Your Account** page directly at this link.

Choose a reason why you want to " *close* " your LinkedIn account and provide more **feedback** if you want and then click **Next** to continue.

**Bob, we're sorry to see you go**

Tell us why you're closing your account:

- I have a duplicate account
- I'm getting too many emails
- I'm not getting any value from my membership
- I have a privacy concern
- I'm receiving unwanted contact
- Other

Your feedback matters. Is there anything else you'd like us to know?

I don't link LinkedIn.

[Back to Settings](#) [Next](#)

Enter your LinkedIn account password on the next page and click the **Close Account** button to confirm that you want to "close" your account.

**Last step before closing your account...**

Closing your account means you lose your profile and all your LinkedIn data.

### 3. Delete your LinkedIn account on your mobile phone

You can also delete your account on the LinkedIn app for **Android or iPhone devices** , or on LinkedIn mobile phones. The process is the same as above.

Click the **Me** icon in the navigation bar, then click on the **Settings** icon for aliasing. Then click **Close Account** on the **Account** tab .

Click Continue and click on a reason that you want to close your LinkedIn account, then **enter your LinkedIn account password** and then click **Done** . And your account will be " *closed* " .

## 4. How to reactivate your LinkedIn account?

If you change your mind, you can reactivate your account within 20 days of deleting your account. Just go to the website and login the email address of the account and password.

However, data such as group members, people you follow, invitations, confirmations, recommendations, etc. will be lost.
