This article will list all the characters in Shadow Fight Arena, including information about their abilities, special attacks, and strategies for using them.

With this information, veteran gamers of the game will easily know which character is suitable for their play style in Shadow Fight Arena.

Strategies for characters in Shadow Fight Arena

Character	Special ability	Rarity	Type	Level of difficult	Tactic
Ling	Slashing Strike Ling's Flask	Rare	Herald	Easy	Ling is a patient character, so use him to block a few hits and then counterattack with quick neutral combos.
Shang	Shadow Energy Adept Shadow Protection	Often	Dynasty	Often	Shang has a long range so focus on attacking from a distance. Use Shang's projectile to keep enemies back and when cornered, unleash Shadow form
Kate	Liquidator's Daughter Experienced Soldier	Often	Legion	Easy	Kate doesn't have the longest reach, but is fast and has brutal combos. Be patient and eliminate the opponent and then unleash the power.
Ironclad	Stubborn as a Mule Non-stop	Often	Legion	Easy	Ironclad is a close-range fighter, able to create armor through attacking projectiles. Focus on using the aggressive attack strategy
Selfish	Shadow Onslaught Perfection	Super rare	Herald	Often	Kibo loses Shadow energy if he doesn't attack his opponent with his attacks, so spacing and zoning the opponent isn't helpful. Instead, just be patient and wait for the enemy to make a big mistake before attacking.

Marcus	Through the Glitch	Super rare	Legion	Often	Marcus is large and slow in the early stages, but becomes extremely agile in the end when using special abilities. Hold your opponent and make big, strong hits while using Marcus.
Hong-Joo	Blazing Bite Triumph Anticipation	Rare	Dynasty	Often	Hong-Joo traps opponents in combos, slams into walls and rushes to attack. Just with Triumph skill is enough to deal great damage to enemies.
Fireguard	Shadow Generator Flamethrower Countdown	Often	Herald	Often	Since Fireguard restores Shadow energy through its Shadow Generator ability, it is free to use this energy whenever available, and all special attacks, to dominate enemies.
Helga	Power of Light Shield of Light Smite	Rare	Legion	Easy	Helga punishes enemies automatically using Shadow form with Smite. Helga has access to her Shining Dash attacks just by hitting enemies. Combine these to overwhelm your opponent.
Sarge	Shadow Squad Leader Will Suppression Old School	Rare	Legion	Often	Sarge generates fast Shadow energy when attacking, and also gains invulnerability while in Shadow form, creating a powerful combo.
