Strategies to play Onmyoji gamers need to know, A strategy guide when playing Onmyoji, helping gamers understand exactly how to approach the game, how to play and level up

For lovers of the role-playing genre, games with stunning graphics and smooth animations like Onmyoji are definitely a breath of fresh air.

Onmyoji is the first game in the popular Onmyoji series which now has a total of 3 games: Onmyoji, Onmyoji: Arena (MOBA game similar to Wild Rift) and Onmyoji: The Card Game (which is said to be one of the great card games). and the most beautiful).

In this article, let's explore some of the most important aspects of the game in the Onmyoji strategy guide, helping gamers understand exactly how to approach the game, how to play and level up, and everything it really should. know when to start.

Customize Shikigami

To best equip your team for battle, familiarize yourself with Shikigami's skills and customize your team accordingly. Gamers can find new Shikigami during in-game events or by summoning them.

To collect Shikigami shards, try Demon Parade, Demon Seal and complete the quest. Gamers are usually allowed to bring 3 Shikigami into battle, but will sometimes have the opportunity to bring more during special missions.

After you unlock rare Shikigami and get used to your favorite characters, sacrifice weaker heroes to upgrade stats for stronger Shikigami.

Souls are the primary source needed to power up Shikigami, so equip Souls that provide a synergy bonus to trigger the boost ability. Focus on attaching attack-boosting Souls to attacking Shikigami and making sure support heroes get Souls that improve HP, defense, skill power, and magic. Finally, make sure to always have Shikigami casting spells on multiple enemies in her battle formation.

Perform all quests

In Onmyoji, quests are a great way to boost abilities, unlock new skills, and win coins and other free items. Check the Quest tab to track your progress and the possible rewards for completing the request.

Players should also try to complete 3 quests tied to a hero. Despite their high difficulty, successful implementation of them will bring even better rewards.

Join a guild

Associate yourself with a clan to complete special quests, add friends, and socialize with other players in the game. Completing quests with the guild will earn shards, or get them from teammates. Everyone should also make a habit of giving puzzle pieces to their comrades on a regular basis.

Also, make sure to set up a Realm after affiliated with the clan. Raiding other kingdoms is essentially a PvP mode and it offers a lot of rewards.

The realm is where gamers can use their Kekkai cards, obtained by completing raids, daily quests, special events, exploring the world and winning Dharma battles Dolls.

The Kekkai Card has the ability to upgrade Shikigami's skills. There are 3 different types: the moon Kekkai card which gives EXP points, the enhanced Kekkai card which gives bonus rewards and the Kekkai card which gives additional shards.
