Making a chocolate Christmas ball is a great idea to turn Christmas into the most memorable occasion of the year for you and your partner. With only a few easy-to-find ingredients and a few dozen minutes into the kitchen, you have a sweet, bitter chocolate ball that tastes like love to give your other half.

If you are too familiar with the snowballs, change this year this year to "warm your heart" with a new chocolate Christmas ball. What's more wonderful than using sweet chocolate balls to decorate the dining room, to give to friends, lovers, even to enjoy that unique gift. The way to do it is not as difficult as you think, follow the steps to see how easy it is.

Raw material for making chocolate Christmas balls

Before embarking on making this extremely sweet and warm Christmas gift, you need to prepare some of the following materials:

1. A cup of chocolate powder.
2. A cup of color nuggets.
3. A cup of candy as you like.
4. A cup of white plastic foam.
5. A glass sphere (or plastic), cup of water, spoon.

The way to make the chocolate Christmas ball is extremely simple

The material is complete, now let's start to act now:

Step 1: You leave the chocolate, crumb powder, red candy and white candy, each giving a different cup. After that, start pouring into the sphere, put the chocolate first and then the next mixture.
