Uniqueness, the still-haunting remains of Halloween is the style of home decoration, restaurants, and parties that their owners want to go to. Only a little creative, skillful you can take advantage of the available objects to turn them into unique decorations - beautiful - strange - creepy welcome Halloween festival ghost.

Here are some Halloween decoration ideas or you can refer and apply for your party.

Before embarking on making decorations for the Halloween night, you need to clearly identify the main color of the party to be "a guideline" for yourself. Some commonly chosen tones are black, orange, silver, wine red and white. These are all subtle tones when combined with decorations that will surely help you have an impressive party with the characteristics of Halloween night.

Any party cannot lack the event name. First you need to print the sample out of white paper, then place it on an orange, black cover plate for cutting. Here are a few suggestions to help you choose.

Halloween can't be without pumpkins right? You just need to use a sharp knife to cut a small circle in the fruit section to remove all the intestines, then cut the eyes, nose, and mouth and then drop the LED inside. In addition to the demon face, you can also create many other shapes to increase novelty.

To make sure everyone shudders, you should create some scary ghosts. Only with the porous ball drawn with big, black eyes, covered with the outside is a torn cloth (or a white cloth) that you already have a ghost. You can also use plastic balls to replace the porous ball, but remember to paint the ball before using it.

In addition to real pumpkins, you can make handmade pumpkins from colored paper. In this way, you can both make decorations and create lanterns.

With table vases, a little bit of cotton floss spreads up to create a fake spider web and some black spiders, you can already make a mark for the table. Simply, you just buy scary animals like spiders, snakes, fake centipedes that drop onto a vase of flowers, which is enough to scare people.
