Tips to play Pirates of the street IV

Make money from ATM trees

Find an ATM, cause traffic jams and block the way for an ambulance to pass. Let one or two people take money from an ATM and then kill them. Take the money and slip away, then return to the money still there. You can repeat this action continuously.

Get the Statue of Liberty

Walk to the Statue of Liberty, on the second floor, you will see a door. Open the door and go into it, the game will load and when you come out, you will have a new shirt.

Repair engine

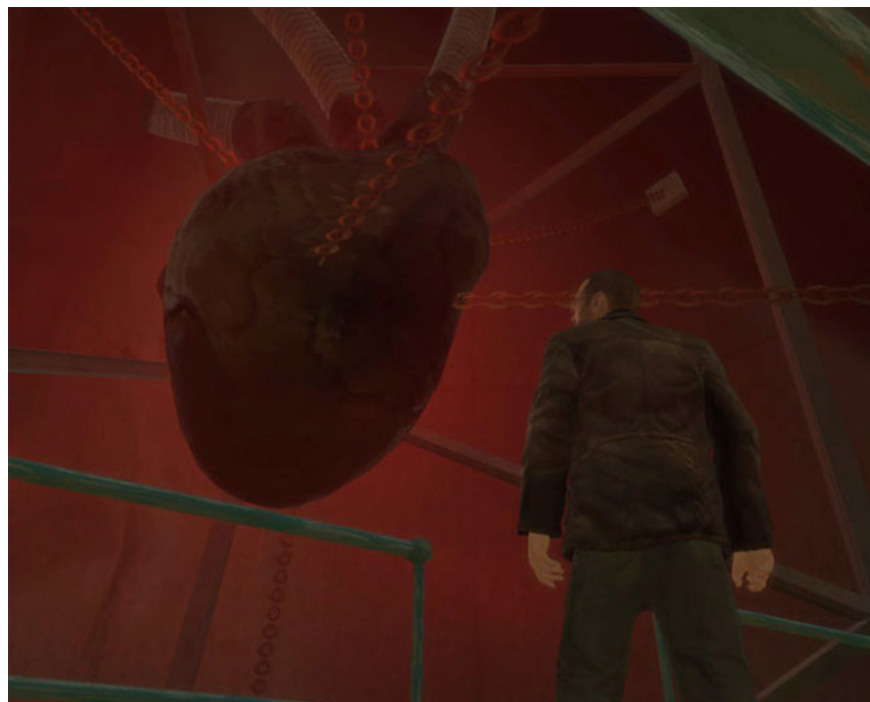

Call 911 if the vehicle is not working.

Map location

Enter the following password in the game computer: www.whattheydonotwantyouknow.com. Note that this URL will only work on in-game computers. Use passwords for weapons, blood, armor, vehicles, pigeons and entertainment locations.

Mysterious "Easter Eggs" hidden in Street Pirates IV game

Heart of Liberty city

When approaching Happiness Island, look for helicopter tours. Drive directly to the Statue of Liberty and jump down the statue. When you land, you will be at the base of the statue, walking around until you have a wing with signs on both sides recording "No Hidden Content Here '(No hidden content here). Open the door and you You will find a high ladder, climb it, and at the top you will see the beating heart locked by the iron chains.

Two bits

If you have a serious traffic jam, get a horn and blow 'shave and a haircut' and another car will blow two bits in return. Note, other drivers in the game can do the same.
