

Summary of PVP activities in Fantasy Spirit Master

Immediately explore the extremely exciting PVP activities in Fantasy Spirit Master, which will help you receive countless valuable items.

Fantasy Linh Su is a general fighting game combined with goalkeepers released by GOSU in the Vietnamese market. In addition to extremely attractive PVE activities, PVP is equally interesting. You can participate in PK activities between players on the same server or between servers. Through PVP activities, you will receive many valuable gifts when you become the winner. Let's find out in detail what those activities are with TipsMake.com.

PVP Dojo Performance Activities

Active content

1. Is a PvP activity on the server between players.
2. Pass level 4-6 to unlock the Dojo performance activity.
3. The way to play is turn-based, with a squad of 6 Spirit Generals and Fantasy Spirit Masters.

Form of operation of Dien Vo Duong

1. Each day there will be 5 challenges, refreshed the next day.
2. The number of challenges a player can purchase per day is 10. Paid challenges can be accumulated up to a maximum of 99 times.

Activity rewards

Activities are summarized and rewards are ranked daily and weekly, specifically:

1. At 0:00 every day, the Dien Vo Duong ranking is summarized. After the summary, you can receive daily rank rewards right at the Dien Vo Duong interface.
2. Every Monday at 0:00, Dien Vo Duong's ranking is summarized for the week. After summarizing, you can receive rewards at the Dien Vo Duong interface.
3. Successful challenges will receive rewards and change ranks with the challenged person.
4. The first time you reach a designated rank or higher, you will receive a corresponding Spirit Stone reward.

Dong Thien PVP activities

Active content

1. It is a PvP activity competing for position between Servers.
2. Each Cave Thien has different production resources, each day will randomly refresh, with a chance of appearing Blessings to increase the production of the Cave Thien.
3. Dong Thien is located in any position (Phuc, Loc, Tho, Hi, Tai, Fortune), will receive rewards at any time, can be exchanged for many items at Dong Thien store.

Operation form of Dong Thien

By occupying an empty box or challenging to enter the Dong Thien position, occupying a box will immediately enter this box. Challenging players has the following rules:

1. When you don't have a position, you can only challenge surrounding players.
2. When outside Dong Thien, the player is challenged outside and the player is in 2nd position.
3. When in 2nd position, challenge the player in the main, 2nd, outside position.
4. When in the main position, you can challenge players in any position.
5. The player in the guest position can challenge the player in the 2nd position, outside; You cannot be challenged but follow the main player and leave your position.
6. The player is challenged by many other players at the same time.
7. When defeating any team on the defense side, you and your Spirit General and the team on the defense side will enter a waiting time. At this time, you cannot use this Spirit General to continue fighting.

8. When destroying the last team on the defending side, if the defending side's position is higher than themselves, both sides switch positions. If their own position does not change, the defending side leaves the position.

Note: The player in the main position can invite friends to any empty box.
